Our Customers

Our Milestones

With 20+ years of experience in manufacturing and international business, NFYO specializes in C.V. Joint, C.V. Axle, Hydraulic power steering, steering pump and etc.

1998

NFYO Company was established in Beijing, marking the beginning of our journey in the automotive industry.

2006

Initiated the development of our international trading business, expanding our reach beyond domestic markets.

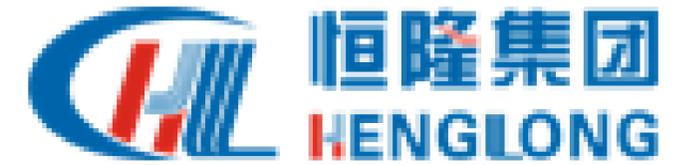

2023

Became a key supplier for global Original Equipment Manufacturers (OEMs) in the overseas steering systems market.

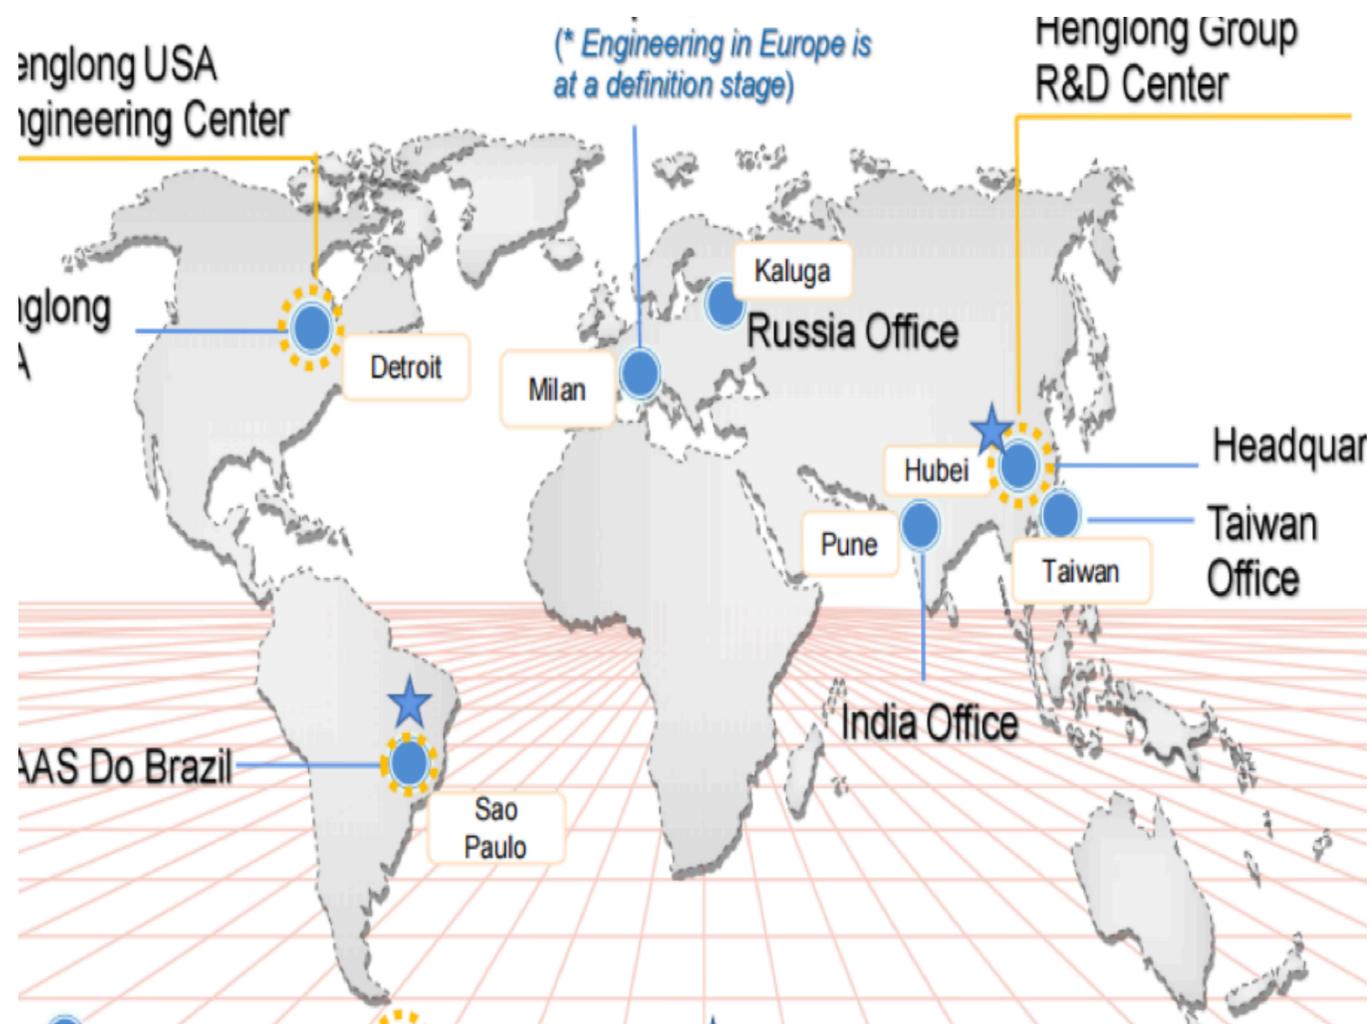

Looking Forward

Focus on Electric Vehicles (EVs) and Electric Power Steering (EPS) systems, driving innovation and growth.

Our Strategic Partner

Since 2014, NFYO and JINZHOU HENGLONG have established a strategic partnership focused on overseas business development. This collaboration has been instrumental in expanding their international presence, driving forward key initiatives, and achieving significant milestones in the global market.
