ABOUT US

MACAS Automotive, a well known ITAF 16949 certified company in India, manufacturing CLUTCHES & FRICTION MATERIAL, having wide Range of automotive components for various auto applications. MACAS has been in to the Business of automotive components for more than two decades. During this period marked by major technological innovations & up gradation, MACAS has acquired deep expertise and know- how to manufacture world-class Auto components.

MACAS, a largest importer of Ceramic Buttons from world's # 1 manufacturer "MIBA Frictec" Austria, suitable for TATA, Ashok Leyland, AMW, Diagonal GB75 & tractor's button disc application.

MACAS , a world class CLUTCH manufacturer from dia 155 to 430 i.e. Clutch Disc, Button Disc, Diaphragm Cover Assy, Conventional Cover Assy, Lever KIT's, Spring KIT's, Pressure Plates, Fly wheel assy & Ring Gears.

MACAS philosophy is to continuous modernization and up gradation of skills, processes and machinery, with our vast production capacity, Computer Aided Design, low cost manufacturing systems and in – house tools making capabilities, make us capable to provide World Class Quality Product at very competitive prices.

MACAS, is committed to provide total customer satisfaction by anticipating customer needs and presenting Quality Parts & Services at the right time and at the right price. The customer and his ever changing need is our continuous source of inspiration.

MACAS, is supplying Clutches & Friction material to many government undertaking units like BEML Limited, The BEST Mumbai, HVF Avadi, tier 2 supplier to OEM supplier company and exporting to countries like Bangladesh, Sri Lanka & South Africa.

MACAS, Clutches are approved from CIRT Pune, holding TRC for supplying Clutches to All India State Road Transport Undertakings.

MACAS, Products are available all across India thru a vast Distribution Network of more than 250 Distributors, supported by 25+ Sales Professionals located at different parts of country.

OUR MISSION & VISION

ENLIGHTED VISION

- To be dominant in Clutch manufacturing, Brake Lining and Ceramic Buttons.
- To establish 'MACAS brand' as No. 1 and to capture highest share of after-market as well as World.
- MACAS, to become a leader in auto industry, building trust, pride and confidence with customers and employees through continuous improvement.
