

HORNS

Make driving safely

WENZHOU ZHONGYE COMMUNICATION ELECTRIC APPRARTUS CO., LTD.

MOTORBIKE

DL128J

Electromagnetic Horn
* Disc horn $\phi 66\text{mm}$
* Compact dimensions
* OE Quality
* 6V / 12V / 48V/ 60V

Verified Product
* CQC
* ECE R28
* INMETRO

DL128M

Electromagnetic Horn
* Disc horn $\phi 70\text{mm}$
* Compact dimensions
* OE Quality
* 12V

Verified Product
* CQC
* ECE R28
* INMETRO

DL126X

Electromagnetic Horn
* Disc horn $\phi 81\text{mm}$
* Compact dimensions
* OE Quality
* 12V

DL128K

Electromagnetic Horn
* Disc horn $\phi 81\text{mm}$
* Attractive design
* OE Quality
* 12V

DL128E

Electromagnetic Horn
* Disc horn $\phi 89\text{mm}$
* Compact dimensions
* OE Quality
* 12V / 24V

Verified Product
* CQC
* ECE R28
* INMETRO

DL125

Electromagnetic Horn
* Disc horn $\phi 89\text{mm}$
* Compact dimensions
* OE Quality
* 12V / 24V

Verified Product
* CQC
* ECE R28
* INMETRO

PASSENGER CARS

DL126J

Electromagnetic Horn
* Disc horn $\phi 70\text{mm}$
* Compact dimensions
* OE Quality
* 12V

Verified Product
* CQC
* ECE R28
* INMETRO

DL126K

Electromagnetic Horn
* Disc horn $\phi 77\text{mm}$
* > 100,000 cycles
* OE Quality
* 12V / 24V

Verified Product
* CQC
* ECE R28
* ECE R10
* INMETRO

DL126A

Electromagnetic Horn
* Disc horn $\phi 92\text{mm}$
* > 100,000 cycles
* OE Quality
* 12V / 24V

Verified Product
* CQC
* ECE R28
* INMETRO

DL126N

Electromagnetic Horn
* Disc horn $\phi 92\text{mm}$
* > 100,000 cycles
* OE Quality
* 12V / 24V

Verified Product
* CQC
* ECE R28
* INMETRO

DL126N Black

Electromagnetic Horn
 * Disc horn $\phi 92\text{mm}$
 * > 100,000 cycles
 * OE Quality
 * 12V / 24V

Verified Product
 * CQC
 * ECE R28
 * INMETRO

DL125C

Electromagnetic Horn
 * Disc horn $\phi 106\text{mm}$
 * Easy installation
 * Powerful sound
 * 12V / 24V

DL127

Electromagnetic Horn
 * Disc horn $\phi 123\text{mm}$
 * Easy installation
 * Powerful sound
 * 12V / 24V

Verified Product
 * CQC
 * ECE R28
 * INMETRO

DL127C

Electromagnetic Horn
 * Disc horn $\phi 123\text{mm}$
 * Easy installation
 * Powerful sound
 * 12V / 24V

Verified Product
 * CQC
 * ECE R28
 * INMETRO

DL135

Electromagnetic Horn
 * Snail horn $\phi 88\text{mm}$
 * Extensive use suitable
 * 12V / 24V

Verified Product
 * CQC
 * ECE R28
 * INMETRO

DL135A

Electromagnetic Horn
 * Snail horn $\phi 95\text{mm}$
 * Great sound range
 * Classic design
 * 12V / 24V

Verified Product
 * CQC
 * ECE R28
 * INMETRO

DL136

Electromagnetic Horn
 * Snail horn $\phi 80\text{mm}$
 * Great sound range
 * > 100,000 cycles
 * 12V / 24V

Verified Product
 * CQC
 * ECE R28
 * INMETRO

DL136A

Electromagnetic Horn
 * Snail horn $\phi 80\text{mm}$
 * Extensive use suitable
 * 12V / 24V

Verified Product
 * CQC
 * ECE R28
 * INMETRO

DL136C

Electromagnetic Horn
 * Blast horn $\phi 80\text{mm}$
 * Powerful 115dB Dual Tone
 * Attention getting
 * 12V / 24V

Verified Product
 * CQC
 * ECE R28
 * INMETRO

DL136E

Electromagnetic Horn
 * Snail horn $\phi 80\text{mm}$
 * Easy installation
 * Extensive sound propagate
 * 12V / 24V

Verified Product
 * CQC
 * ECE R28
 * INMETRO

DL137

Electromagnetic Horn
 * Snail horn $\phi 80\text{mm}$
 * Extensive use suitable
 * 12V / 24V

Verified Product
 * CQC
 * ECE R28
 * INMETRO

DL137A

Electromagnetic Horn
 * Snail horn $\varnothing 80\text{mm}$
 * OE preferred choice
 * > 100,000 cycles
 * 12V / 24V

Verified Product
 * CQC
 * ECE R28
 * INMETRO

DL137E

Electromagnetic Horn
 * Snail horn $\varnothing 80\text{mm}$
 * Great sound range
 * > 100,000 cycles
 * 12V / 24V

Verified Product
 * CQC
 * ECE R28
 * INMETRO

DL137F

Electromagnetic Horn
 * Snail horn $\varnothing 80\text{mm}$
 * Great sound range
 * > 100,000 cycles
 * 12V / 24V

Verified Product
 * CQC
 * ECE R28
 * INMETRO

DL137F CHROME

Electromagnetic Horn
 * Snail horn $\varnothing 80\text{mm}$
 * Great sound range
 * > 100,000 cycles
 * 12V / 24V

Verified Product
 * CQC
 * ECE R28
 * INMETRO

DL137G

Electromagnetic Horn
 * Snail horn $\varnothing 80\text{mm}$
 * Great sound range
 * > 100,000 cycles
 * 12V / 24V

Verified Product
 * CQC
 * ECE R28
 * INMETRO

DL137M

Electromagnetic Horn
 * Snail horn $\varnothing 80\text{mm}$
 * Great sound range
 * > 100,000 cycles
 * 12V / 24V

Verified Product
 * CQC
 * ECE R28
 * INMETRO

DL137J

Electromagnetic Horn
 * Snail horn $\varnothing 80\text{mm}$
 * Great sound range
 * > 100,000 cycles
 * 12V / 24V

Verified Product
 * CQC
 * ECE R28
 * INMETRO

DL137J-C

Electromagnetic Horn
 * Snail horn $\varnothing 80\text{mm}$
 * Waterproof
 * IP67
 * 12V / 24V

Verified Product
 * CQC
 * ECE R28
 * INMETRO

DL137K

Electromagnetic Horn
 * Snail horn $\varnothing 80\text{mm}$
 * Great sound range
 * > 100,000 cycles
 * 12V / 24V

Verified Product
 * CQC
 * ECE R28
 * INMETRO

* Strong & Powerful sound
* Attractive design
* Easy installation
* 12V / 24V

QLD147

Pneumatic Horn
* Strong & Powerful sound
* Attractive design
* Easy installation
* 12V / 24V

QLD149

Pneumatic Horn
* Strong & Powerful sound
* Attractive design
* Easy installation
* 12V / 24V

JB156E

Back-up Alarm
* Suitable for all vehicles
* Attractive design
* Easy installation
* 12V / 24V

Verified Product
* ECE R10

JB156E-01

Back-up Alarm
* Suitable for all vehicles
* Attractive design
* Easy installation
* 12V - 80V

Verified Product
* ECE R10

JB156S

Back-up Alarm
* Suitable for all vehicles
* Attractive design
* Easy installation
* 12V - 24V

JB156Y

Back-up Alarm
* Suitable for all vehicles
* Attractive design
* Easy installation
* 12V / 24V

JB156M

Back-up Alarm
* Suitable for all vehicles
* Attractive design
* Easy installation
* 12V / 24V

JB156T

Back-up Alarm
* Suitable for all vehicles
* Attractive design
* Easy installation
* 12V / 24V

Verified Product
* ECE R10

JB156U

Back-up Alarm
* Suitable for all vehicles
* Attractive design
* Easy installation
* 12V / 24V

JB156K

- Back-up Alarm
- * Suitable for all vehicles
 - * Attractive design
 - * Easy installation
 - * 12V / 24V

JB151

- Back-up Alarm
- * Suitable for all vehicles
 - * Attractive design
 - * Easy installation
 - * 12V / 24V

MULTIFUNCTION HORN

The BASSO Multifunction Horn comes complete with 16 series socket to match 90% with circulating vehicle brand in present market. This design philosophy not only considers to be an OE replacement but also reduces the stress of purchasing much stocks with various of special vehicle horns.

SPECIAL SOCKETS

210 AUDI

211 BMW

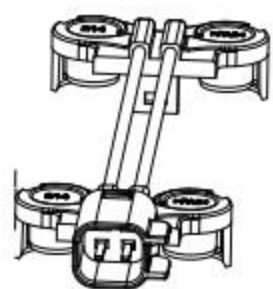

212 CHERY

213 V W

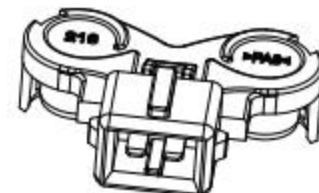

214 FORD 2

215 HONDA

223 NHYUNDAI

224 NPEUGEOT

225 UNIVERSAL

ELECTRONIC HORN

EH128J

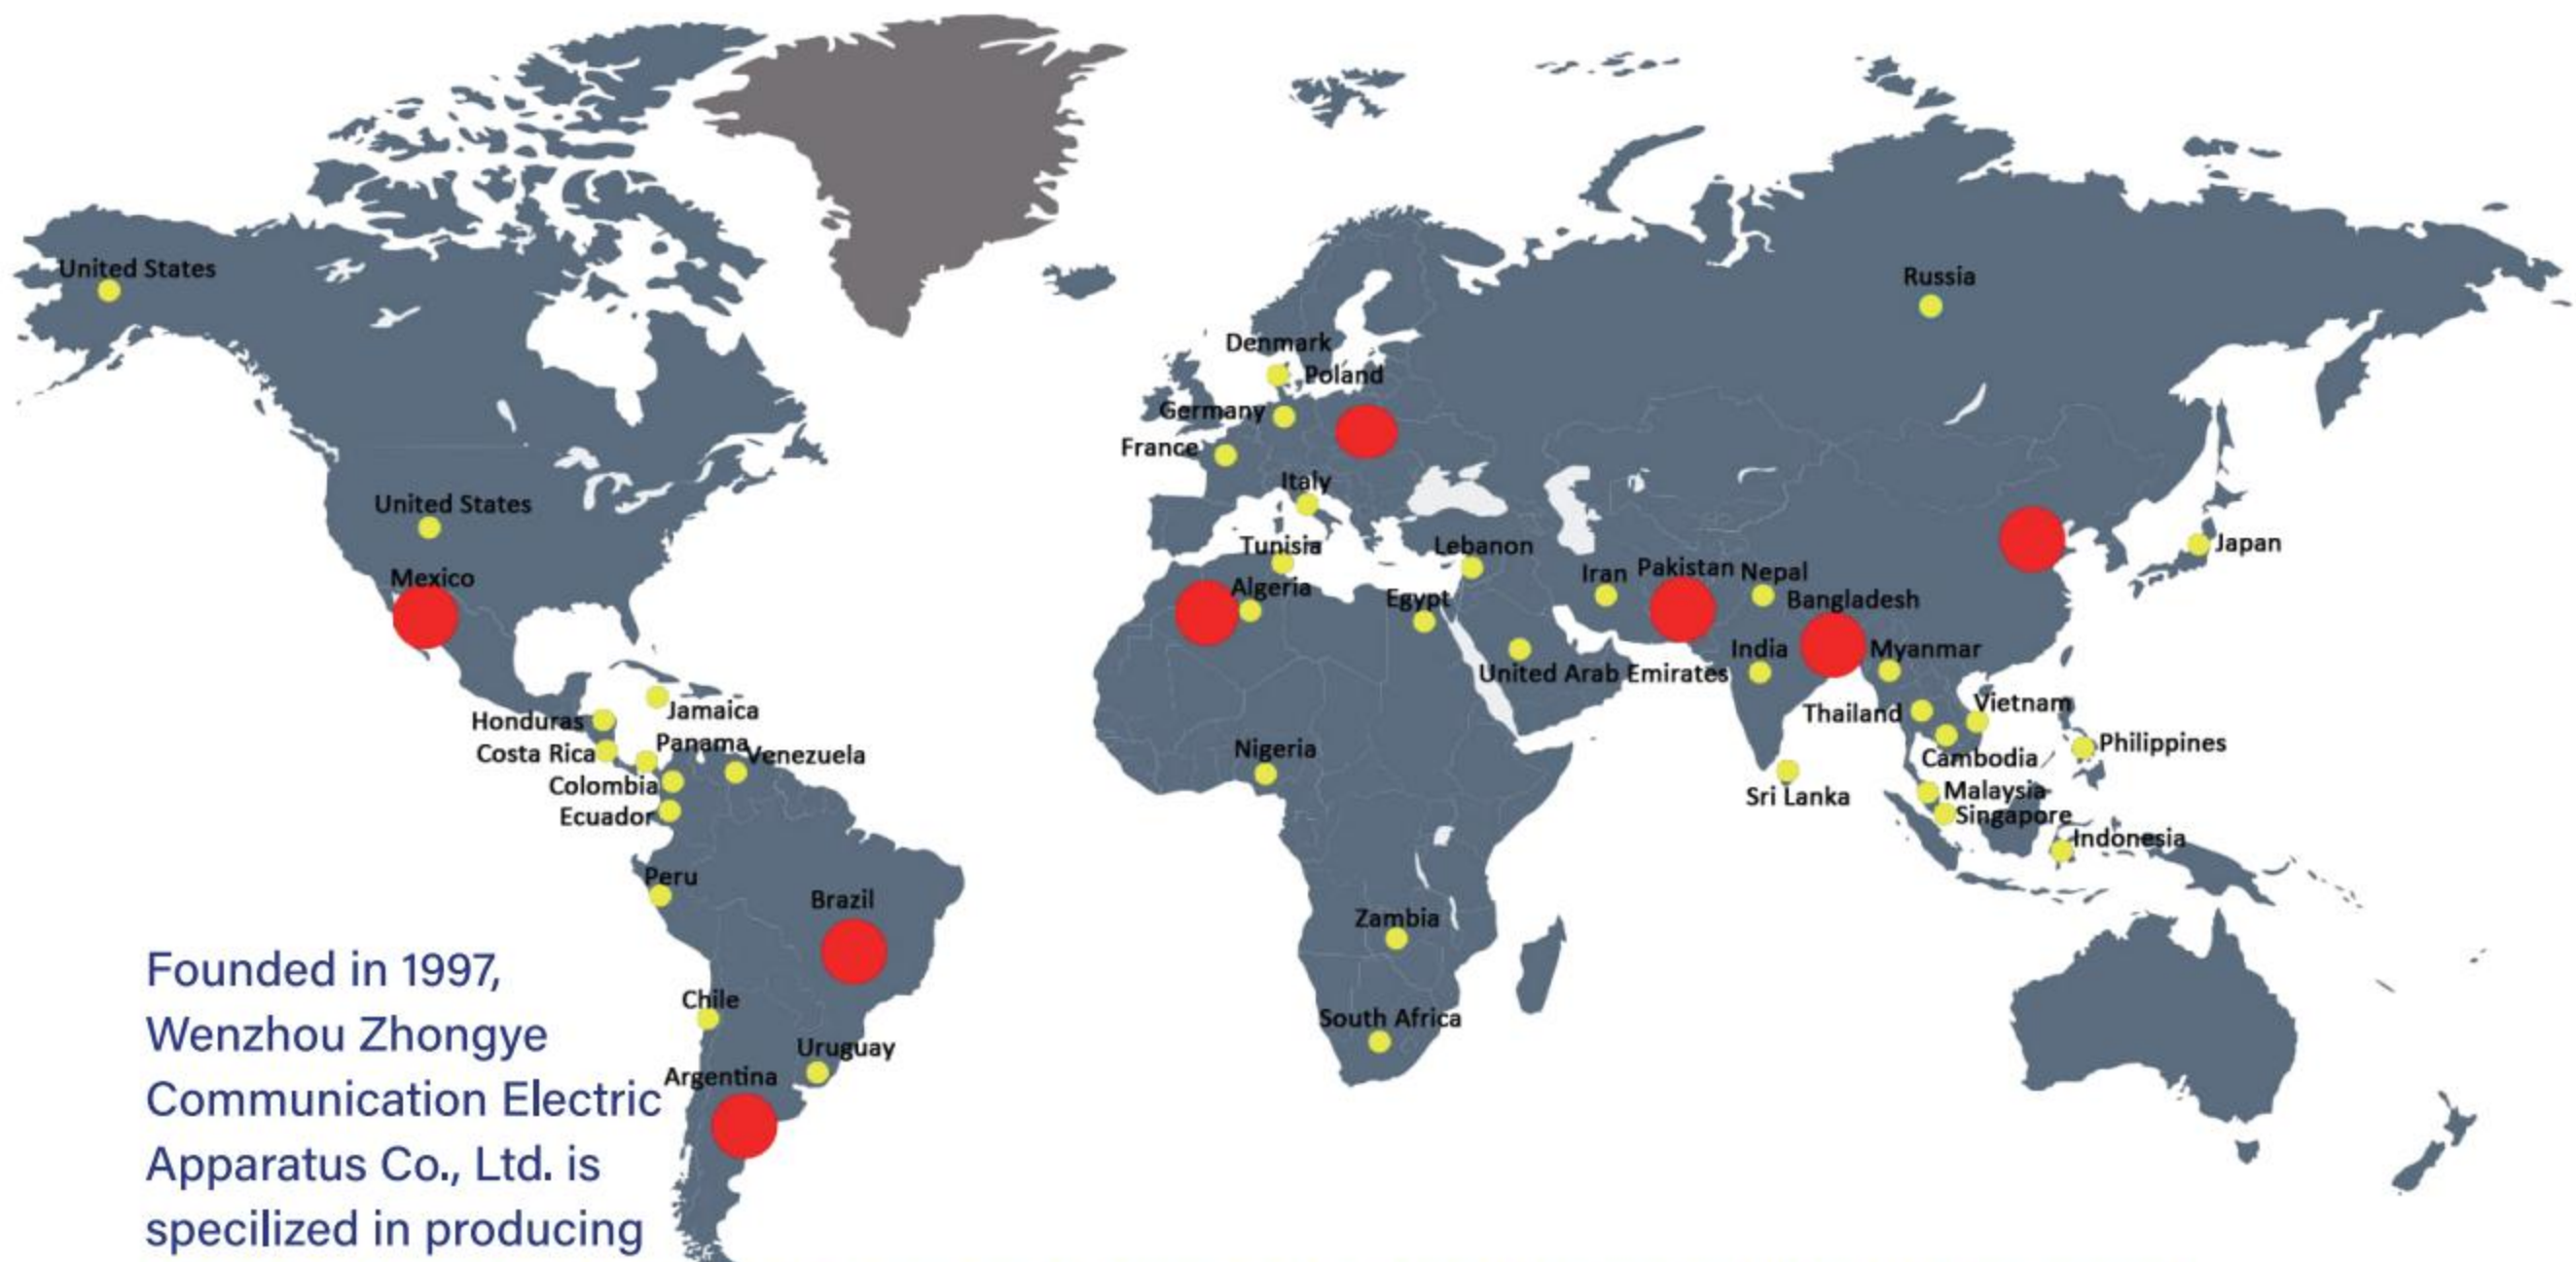

Electronic Horn
 * Disc horn $\phi 66\text{mm}$
 * Maximum durability
 * > 300,000 cycles
 * OE Quality
 * 12V

EH136

Electronic Horn
 * Snail horn $\phi 80\text{mm}$
 * Ideal for continuous service
 * > 500,000 cycles
 * OE Quality
 * 12V

COMPANY INTRODUCTION

Founded in 1997, Wenzhou Zhongye Communication Electric Apparatus Co., Ltd. is specialized in producing automotive horns. A high-tech Enterprise of horns with a complete product line. We has passed IATF16949 Quality Management System under TUV, the product has passed China CQC certification and European E-Mark and TUV certification, Brazil Inmetro. BASSO horn is the brand produced by us. The series of our horns are favored by the market for their stable quality and competitive price. Mainly cooperate with the company of Fortune 500, and do OE to BMW and other Chinese leading motorcycle manufacturing groups. We comprehensively strengthen ranks in the forefront of China's horns manufacturer. We has more than 170 employees, the factory building area is more than 11,000 square meters. The advanced production line has formed an integrating scientific research, manufacturing and testing production system. The annual production capacity can reach 12 million pieces.
