FAXIOU FILTER

Enterprise spirts:

Unity. Honesty, Deploitation, Innovation

The Reasons For Choosing Faxiou

1. Broader Product Coverage And More
2. Comprehensive Product Types
3. Special Development
4. Technology Leadership
5. Energy Efficiency

Faxiou is sincerely looking forward to cooperate with the clients from home and abroad to create prosperous future

COMPANY PROFILE

Advanced facility and technical force

The facilities we use are advanced. Now we have more than 300employees and 300 pieces of produce facilities. Our annual production capacity ofFilter reaches more than 6 million pieces.The fixed assets is more than 60 millions RMB.

Exported to a large number of countries

Our products are widely used in many fields, auto car,auto truck ,mechanical engineeringetc. The filterare sold well in theinternational market and export to Africa,Russia, Japan, Europe and USA etc.

Focus on Filter for 15 Years

We are a large manufacturer with more than 15 years' experienceindesigning andmanufacturing filters. We specialize in manufacturing all types of Filter (Oil Filter, Fuel Filter, Air Filteretc.)

Conducting strict inspections, product safety test

For our good credit and excellent quality of the products, we enjoy a high reputation. We are certified "QUALITY LICENCE FOR EXPORTCOMMODITIES" issued by CIQ, have succeeded in passing the ISO /TS16949:2009 quality management system certification.

R&D

Supported by constantly upgraded product quality and table technical performance, we have become a leader in China's Automotive Filter. Our technology center, as a backbone of new products research and development capability. The passion on innovation and advancement is always a mover for an enterprise. While consummating the existing products, we would develop more newproducts to cater the market and reinforce our competitiveness.

PRECISION PRODUCTION

First-class production equipment and technology is the insurance of manufacturing high quality products. FAXIOU holds the principle of regarding the quality as enterprise's life and has achieved success over and over.

SCALE PRODUCTION

Using advanced equipment, keeping improving product quality and technical design. Using advanced management technique of quality to insuring 100% of production pass rate.

SPECIALIZING IN THE PRODUCTION

OIL FILTER DIESEL FUEL FILTER AIR FILTER
