DISC BRAKE PADS

Section A

The Company

The Company

GROWTH : WITH ALLROUND DYNAMISM

In 1966, the Group's founder, Mr. Jagjyoti Jain, laid down the foundation stone for the Group when he opened a small factory to manufacture Piston Rings in New Delhi, the capital of India. Now, the Group has expanded to consist of nine different units engaged in the manufacture, trading and exports of a large range of automotive parts and accessories.

The Group's growth since its inception has been phenomenal, thanks to a dynamic and progressive management. The driving force behind the success has been enthusiasm for exploring new fields. The adventurous spirit has been and continues to be complemented by a strong emphasis on independent research and development.

MARKET : THE WHOLE WORLD

Super Circle is one of the leading groups in the Indian automotive parts sector. All products of the Group are of International quality and bear the Super Circle stamp of reliability. A large percentage of the Group's production is exported worldwide to more than 50 countries in Europe, America, Australia, Asia and Africa.

PRODUCTS : QUALITY WITH DIVERSITY

The Group is manufacturing Brake Pads, Brake Linings, Rubberised Roll Linings, Brake Shoes, Backing Plates, Shims, Unlined Brake Shoes, Brake Parts & Accessories, Piston Rings, Steel Wool Fibre, Bronze Fibre and Copper Fibre.

THE SUPER CIRCLE FAMILY : EMPLOYEES, SUPPLIERS & CUSTOMERS

Super Circle's state-of-the-art manufacturing facilities, exclusive R & D, extensive marketing network and customer support services, have kept the Group close to its ideals - to be in tune with its markets and customers.

Important Points

1. The geometric shape, the dimensions and all other technical/commercial indication shown in this catalogue are given for information only. Although Super Circle Auto Limited has checked this information with the greatest care, no responsibility will be taken as far as their accuracy is concerned.

2. Drawings shown in this catalogue are not to scale, but representative indication only.

3. SC is registered trademark of Super Circle Auto Limited. All rights to use this trademark are reserved.

4. WVA numbers are reference and assignment system of VRI-Verband der Reibbelagindustrie, Cologne, Germany. FMSI numbers are numbers from proprietary part numbering system owned by Friction Materials Standards Institute, Madison, CT, USA. The names and reference nos. of other companies used in this catalogue are properties of their respective companies. All these part numbers have been used for customer guidance and identification only. Parts will be supplied as per SC standard product at the time of ordering.

5. The translation or reproduction, even partial, of material in this catalogue is forbidden without the prior written authorization of Super Circle Auto Limited.

6. All disputes are subject to Indian law and courts.
