Our Sponsorship Packages

BRONZE

Ideal for companies looking to show support and gain visibility, the Bronze Package offers logo placement on the event page and networking opportunities through in-person and online event passes.

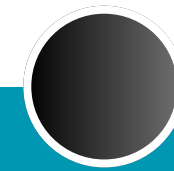

SILVER

The Silver Package enhances your visibility with additional branding opportunities and allows you to contribute knowledge through hosting a workshop.

GOLD

Gold sponsors enjoy increased exposure and the opportunity to engage with the audience through panel discussions, complemented by a broader reach with more event passes.

PLATINUM

Platinum sponsors receive prime visibility with special stage designs, a speaking slot, and mentorship passes, positioning your brand as a leader in industry innovation and D&I.

DIAMOND

Our most exclusive tier, offering maximum brand exposure, the opportunity for a keynote speech, and unique engagement through a live leadership interview, establishing your company at the pinnacle of industry support for D&I.

The cost associated with each sponsorship package is for a 12-months period.

Choose the sponsorship package that aligns with your strategic goals and join us in driving diversity and innovation in the automotive industry.

Let's collaborate to shape the future.

We asked our partners..

Why did you choose to become a Women Automotive Network partner?

VOLKSWAGEN GROUP
UNITED KINGDOM

VOLKSWAGEN GROUP
