

# Women Automotive Network Mentorship Program

UNLOCK YOUR POTENTIAL WITH OUR EXCLUSIVE MENTORSHIP PROGRAM

Designed to empower women in automotive, our program is a flexible and open platform connecting aspiring and developing professionals to the experience and knowledge of a mentor that suits them best.

Whether you're seeking career advancement, personal growth, or a supportive network, we will match you with a mentor that has successfully navigated the path you're on, and be best placed to guide you and help you succeed.

APPLICATION DEADLINE  
28th June 2024

MATCHES ANNOUNCED  
July 2024

DURATION  
4 Months

MEETING FREQUENCY  
Every 2-4 weeks

## WHY JOIN

### Strong Network

With 80 mentors and over 450 successful introductions since December 2021, you'll gain valuable connections.

### Proven Results

96% of participants report career advancement, and 72% maintain contact with their mentors post-programme.

### Career Boost

Participants are 4x more likely to apply for promotions.

This program is designed for both personal and professional development. It gives the mentors an opportunity to be role models, and mentees an opportunity to strengthen their skills and increase their overall career satisfaction.

The matching is done on an individual basis to ensure that the most suitable match on both sides is made, whether that is with individuals with similar work roles or similar ideal career progression paths.

"My opportunity to be a mentor has been very fulfilling - Thank you Women Automotive Network for this chance for me to grow too!"

"This mentorship has allowed me to continue my professional growth much more concretely, the sessions are always structured with self-reflection, homework, and next steps, making them more relevant and productive." - Mentee 2024
