

Dual Lens Side Camera Kit (L&R)

EW-S001

Description:

Dual-lens camera expands the field of view. Each lens provides a horizontal field of view of 110°. When installed on a vehicle, the two lenses can cover an over 90° blind spot from the front to the rear. To enhance nighttime visibility, each camera is equipped with a bright white LED light. With the rating of IP67, the camera performs perfectly in all weather conditions. The camera resolution is 1280*720, and you can enjoy the HD quality of AHD 720P. The shell is made of silicone and will not cause damage to the body shell.
