

CATALYST
SOURCING

Catalyst Sourcing Pvt. Ltd.

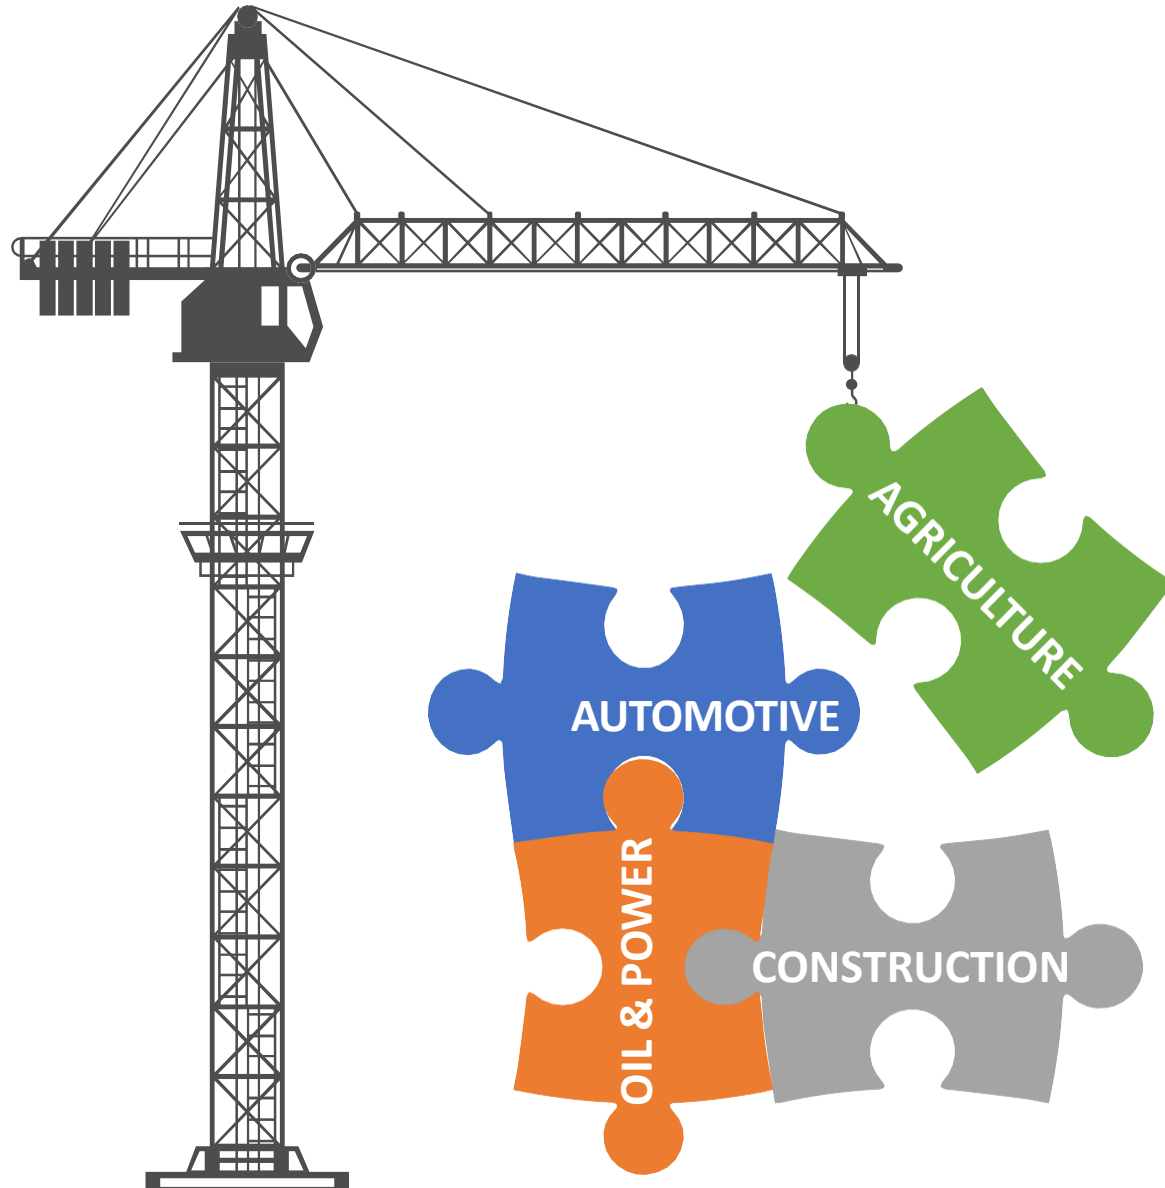

We manufacture custom Sheet metal and Fabrication components with advanced processes and complete precision.

Catalyst Sourcing Pvt. Ltd. stands at the forefront of the industry as a renowned manufacturer of high-precision metal components and assemblies. The company is committed to quality and excellence and provides innovative solutions for industries such as automotive, agriculture, construction, and more. The company boasts advanced manufacturing capabilities including, Fabrication – Assembly, laser cutting, CNC punching, and robotic welding, to ensure precision and accuracy in its products. We have a proven track record of delivering quality products and services focusing on sustainability and environmental responsibility.

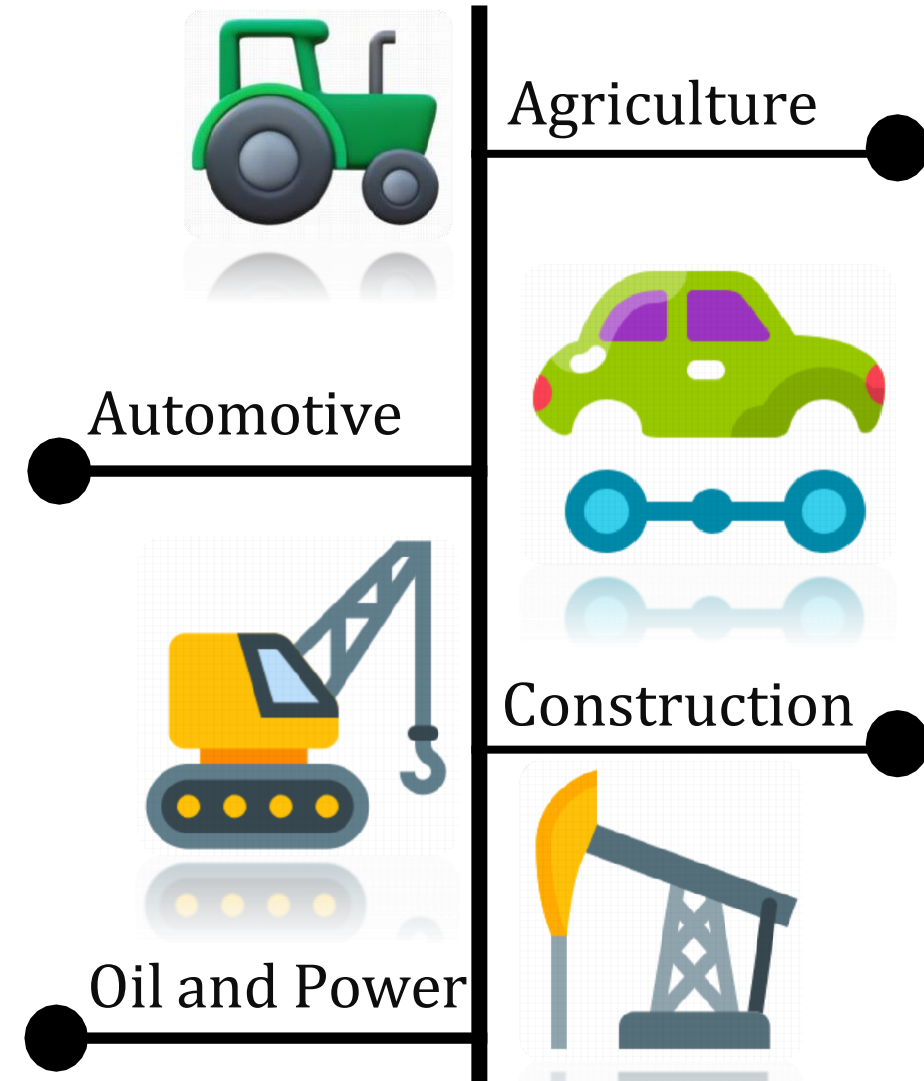

- Ensures attention to detail and reliability in all our products using state-of-the-art technologies.
- Caters to a diverse range of industries across the globe, including the USA, New Zealand, and Australia .
- Delivers the best sheet metal and Fabrication products that align well with your unique requirements.

Catalyst Sourcing Pvt. Ltd.

We have inn house friction welding facility with the latest machinery and cost-effective prices.

Friction Welding Machine

Centerless Grinding

Disc Rolling Machine

Threading Machine

Press machine

Our Welding Workshop

Our friction welding machine and products

- Easily joins dissimilar metals
- Friction welds are of higher strength than other means of joining.
- Friction welds often cost less
- The full surface of the cross-section is made up of both metals.
- Friction welds minimize the heat-affected zone.
- Friction welds minimize the need to clean furnace residues.

➤ The ability of a designer to optimize material choices by using friction welding cannot be overstated.

Our Products

- **METAL HOUSING**

FORMING COMPONENTS

SHEET METAL PARTS

- **METAL CABINET**

- **OTHER COMPONENTS**

METAL ENCLOSERS

SHEET METAL SUPPORTS

- **PRECISION STAMPINGS**

Our Fabrication Products..

Special Jigs and Assembly Fixtures..

Laser Cut Parts

Fork Lift Frame Assembly

Front Loader Bucket and Attachments

**Special Processes -
Powder Coated
parts**

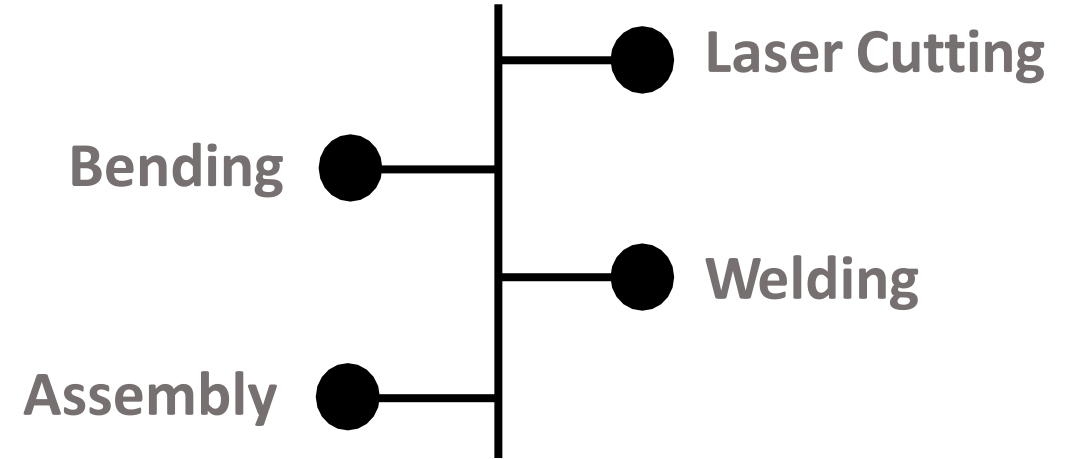

**Product
Conformance -
Quality
Assurance**

**Special Testing
Facilities: Coating
Thickness**

Our Fabrication Products...Aluminium Ladder Guard

Our Fabrication Products...Swing Arms

Our Fabrication Products...Channels and Rails

Hardox/Quard Steel Sheets

Our Office & Manufacturing Setup

RAJKOT (WORKS)

UNIT 3- Plot No.B-2, Survey No.30/1, Ganga Gate,Rajkot-Gondal NH-8B, Shapar (Veraval),Rajkot,Gujarat-360024

Phone: +91-7480007850; +91 9031823276

Email: info@catalyst-sourcing.com

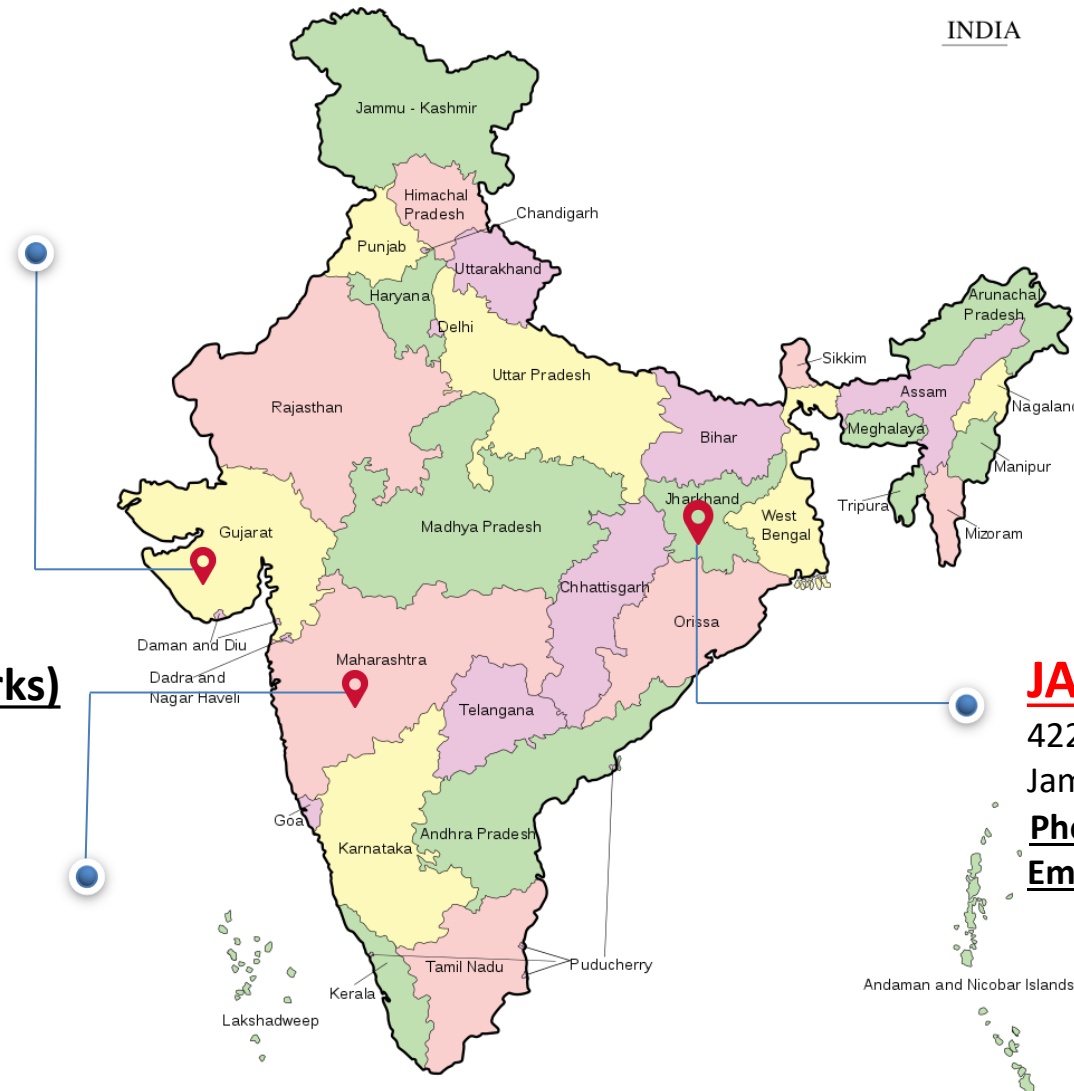

PUNE (Corporate Office and Works)

UNIT 1- Block C-39, Chinchwad MIDC, Pune, 411019, Maharashtra, India

UNIT 2- Gat no- 123, Murhe, Village-Kuruli, Tal. Khed, Dist. Pune- 410505, Maharashtra, India

Phone: +91-7480007850, +91 9031823276

Email: info@catalyst-sourcing.com

JAMSHEDPUR (Registered Office)

422, 4th Floor, Ashiana Trade Centre, Adityapur
Jamshedpur-831013 India
