Ed. 01-2026

Dear Friends,

Our company has been manufacturing front ends in plastic materials for the automotive market for more than 35 years.

During this time, we have counted on your support, which has enabled us to position ourselves as a quality brand, recognized worldwide.

Recently, ITSA has moved to a completely new production facility, increasing the constructed surface from 8.000 to 14.000 m2. ITSA continues to invest to offer the best products and availability and be your most reliable partner.

The catalogue which we are presenting you in this edition collects all the detailed information on our front-end product range.

Finally, we enclose within this detailed guide with a brief review of our activities in design, process, and quality in other markets: railway interiors, aircraft interiors and road safety.

We hope that this information will give you an idea of the potential and the efforts that we are applying in our projects.

We thank you for trusting in our company.

Kind regards.

Apreciados amigos,

Desde hace más de 35 años nuestra compañía fabrica frentes en materiales plásticos para el mercado de la automoción. A lo largo de este periodo, hemos contado con vuestro creciente apoyo, lo que nos ha permitido posicionarnos como una marca de calidad, reconocida a nivel mundial.

Recientemente ITSA ha trasladado su actividad a una planta de fabricación completamente nueva, en la que aumentamos la superficie construida de 8.000 a 14.000 m2. ITSA continúa invirtiendo para ofrecer los mejores productos, mayor disponibilidad y ser su socio de confianza.

El catálogo que os presentamos en esta edición recoge la gama de productos, con información detallada de los frentes.

Por último, hemos acompañado esta guía detallada de unas breves reseñas sobre nuestras actividades en diseño, proceso y calidad en otros mercados en los que también estamos presentes: interiorismo ferroviario, interiorismo aeronáutico y señalización vial.

Esperamos que esta información les dé una idea del potencial y del esfuerzo que estamos invirtiendo en nuestros proyectos.

Os agradecemos la confianza depositada en nosotros.
Aprovecho la ocasión para enviaros un fuerte saludo.

Cari amici,

La nostra Azienda produce frontali in plastica per il mercato “automotive” da oltre 35 anni. Durante tale periodo abbiamo contato sul Vs. supporto, che ha permesso di affermarci come marchio di qualità riconosciuto in tutto il mondo.

Recentemente ITSA si è trasferita in una fabbrica completamente nuova, aumentando la superficie costruita da 8.000 a 14.000 m2. ITSA continua ad investire per offrire i migliori prodotti e disponibilità ed essere il partner più affidabile.

Il catalogo che Vi presentiamo in questa edizione raccoglie tutte le informazioni dettagliate relative alla nostra gamma di frontali.

Infine trovate in questa guida dettagliata, una breve panoramica delle nostre attività di progettazione, tecnologia di produzione e attività di qualità, riferite anche ad altri mercati dove siamo altresì presenti, quali quello degli interni settore ferroviario, Interni settore aeronautico e quello della sicurezza stradale.

Speriamo che queste informazioni Vi diano un’idea del potenziale e degli sforzi che stiamo applicando nei nostri progetti.

Grazie per credere nella nostra Azienda.

Chers amis,

Depuis plus de 35 ans, notre compagnie fabrique des face-avants en matières plastiques pour le marché de l’automobile. Pendant toute cette période, nous avons compté sur votre soutient, ce qui nous a permis de nous positionner comme une marque de qualité, reconnue mondialement.

Depuis peu ITSA a déménagé à un tout nouveau site de production, augmentant la surface construite de 8.000 à 14.000 m2. ITSA continue d'investir pour offrir les meilleurs produits, la meilleure disponibilité et être votre partenaire le plus fiable.

Le catalogue que nous vous présentons dans cette édition recueille les informations détaillées de notre gamme de face-avants.

Enfin, ce guide détaillé s’accompagne d’un bref résumé sur nos activités de design, processus et qualité, ainsi que sur les autres marchés où nous sommes également présents : interieurisme ferroviaire, interieurisme aéronautique et signalisation routière.

Nous espérons que cette information vous donnera une vision plus précise du potentiel et des efforts que nous appliquons à nos projets.

Merci pour votre confiance en notre compagnie.
