

ABOUT US

G.R. Corporation has been in the textile business for more than 40 years. We are one of India's largest manufacturers of elastics, ropes, braids, ribbons and other technical textiles

We employ more than 300 people and have 400 Braiding machines, 70 Crochet machines, 80 needle looms and a range of allied machines.

We supply to over 20 countries and 4 continents in the world.

HIGHEST EXPORT AWARD *in India*

Earlier this year, G.R. Corporation was honoured to receive the HIGHEST EXPORT AWARD by the government of India fourth time in a row in the technical textile sector.
