

Textile testing machine H3000TM-H5000TM

The cost-effective solution

The new tensile testing machines

From Hess materials testers

The tests

Strength test ,

Tensile strength , Grab tensile test

Seam pull-out strength , Tear strength

Seam slippage strength

Zip test

Tear strength of the handle

Pull-off strength

Longitudinal strength of the box part

Testing the divisibility elements

Yarn test, rope test

Pull-out test of nets

Button pull-out test

Puncture test
