Quality Technical Textiles

**“ONE OF THE OLDEST TEXTILE
FAMILIES IN THE WORLD”**

COMMITTED WITH ENVIRONMENT

We develop solutions with PP and PES recycled,
PP biodegradable or compostable materials.

We produce high-quality products as they
have more durability.

We are committed to ecological packaging,
made of 100% recycled and recyclable material.

Over more than 110,000 tests a year are done.
Most products comply with specific regulations
of the use to which they are intended and are
subject to strict quality control.
