

PP Multifilament Yarn

- Denier Range: **210 to 4000**
- Tenacity:- **6.0 to 6.5 GPD**

Available in

Flat Air-Intermingled Twisted

Taslan Yarn / Air Textured Yarn (ATY)

Hybrid textured yarn created by the air-jet texturing process.

Applications

- Flat Knitting
- Weaving
- Carpet
- Upholstery & more

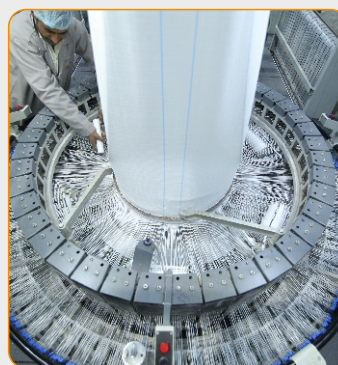

UV Masterbatch

- Just 2% UV enhances product's life & safety by 80%
- Custom UV Masterbatch

Available in

- Food Grade (**783**)
- Industrial Grade (**770**)

Fabrics

Circular Fabrics:-

- Width:- **30 cm to 225 cm**
- GSM:- **37 to 240 GSM**

Sulzer Fabrics:-

- Width:- **65 cm to 360 cm**
- GSM:- **140 to 250 GSM**

Crimp Yarn

- Denier Range : 130x1, 130x2 & 130x2x2
- Save space on your filler cord machine by reduce creel stand
- Available with or without UV
- Completely recyclable
- 100 percent with PP

Cast Polypropylene Films (CPP)

CPP Films

We are embarking on manufacturing CPP films with renowned German machinery, ensuring unmatched quality & to meet the ever-dynamic needs of the market.

Our Products

- Transparent Films
- Metalized Films
- White Films

Types

Circular Bag

Baffle Bag

Ventilated Bag

Flexible Intermediate Bulk Container (FIBC)

FIBCs are amongst the most economical bags for storing, transporting & handling dry granular products and/or slurry material.

Applications

- Pharmaceutical
- Construction
- Food Products
- Chemical
- Seed & Grains
- Mining & More
