

# HOOK & LOOP SOLUTIONS FOR THE PERSONAL CARE MARKET

 Eco-friendly

 Ultra-light

 Ultra-thin

XYX have developed an ultra-thin micro-extruded hook fastener for the personal care industry, which are used in baby/adult diapers and incontinence products to make them thinner, lighter and more material-efficient.

**Hook match loop or non-woven fabric**

**Mushroom Hook:**

high quality PP raw material injection molding, light and soft material, not easy to hook, strong shear strength lengthwise.
