

EASY DROP-IN REPLACEMENT FOR HYGIENIC LUG-DRIVEN BELTS

ThermoDrive® Series 8140

Food processors and equipment manufacturers can now purchase high-quality, hygienic lug-driven belts directly from Intralox with the release of ThermoDrive Series 8140 belting.

Benefits

- **No need to retrofit or redesign your conveyors**
- **Matte finish belt surface optimizes product release**
- **Minimized sink marks for improved scraping**
- **Smoother lugs for a more hygienic outcome**
- **Backed by Intralox's renowned expertise, customer service, and written guarantees**

SYNCHRONIZED SIDEWALLS

Intralox technicians can help you achieve a new class of quality and performance for Synchronized Sidewalls field splices at your facility.

FLIGHTS AND V-GUIDES

ThermoDrive S8140 belting is available with flights, Synchronized Sidewalls, V-guides, and other accessories.

DUAL-LUG

Intralox ThermoDrive S8140 is also available in a dual-lug option for conveyors in widths of 30 in – 60 in (76.2 cm – 152.4 cm).
