

# SL-300 SERIES

## SL-300 PLUS

*Automatic Industrial Slicer with Weighing System*

## SLI-300

*Automatic Industrial Slicer with Interleaver*

## SLI-300 PLUS

*Automatic Industrial Slicer with Interleaver  
and Weighing System*

**Slicetech's Automatic Industrial Slicers manufactured by Equimatec** are designed to process different volumes and produce precise and consistent slices and portions of various food products such as cheese, bacon, sausages, deli meats, and fish, providing customers high profitability and low operating and maintenance costs.

# SL-300

SERIES

The **SL-300 Series** consists of automatic industrial slicers with **manual feeding, with or without systems for interleaving and weighing sliced products.**

The machines meet the different needs of national and international markets and are manufactured to standard design and customized for specific applications.

The equipment offerings meet the needs of small and medium-sized businesses as well as large food processing companies.

## Features

- *Designed and built in accordance with design, hygiene, and safety standards recommended by various international regulatory bodies.*
- *Functional, modern, hygienic design and construction that reduces hygiene-related hazards.*
- *Ensures quick and easy cleaning, sanitization, and maintenance.*
- *Programmable slicing into one compact, affordable machine.*
- *Easy-to-reach operating panel and HMI intended to reduce operator movements.*
- *Sensor monitoring guarantees maximum protection and safe machine operation.*
- *Electrical panel and components designed and built to withstand the rigors of a food processing environment.*
- *Remote service / preventive maintenance.*

## Option

- **Interleaver (SLI model only)**
- **Dynamic weighing system (Plus model only)**
- **Sorting unit for correct and incorrect portions – horizontal portion sorting (Plus model only)**
- **Integration with packaging machine – upon request**
