

Schur®Star Jar Bag

The Schur®Star Jar Bag design is based on the numerous inquiries received for customized formats and for eye-catching bag solutions with the wow effect

- Schur®Star Jar Bags offer optimal presentation at POS - not only because of the creative shape, but also due to the **superior flexo print in 10 colours** that can be combined with effects like high-gloss lacquer, matt-lacquer or metallized inks
- Schur®Star Jar Bags are available in a wide range of materials allowing specific barrier properties to ensure the bag is perfect for offering optimal storage of the product
- Schur®Star Jar Bags are available with **additional features** like reclosability or a tearstrip plus laserscoring to offer ease of opening
- Schur®Star Jar Bags are produced for a large variety of segments - fruits, vegetables, sweets, snacks and are also perfect for dry products like rice, nuts or pasta. They can also replace regular glass jars for **liquid** and **semi-liquid** products – stock, jams, sauces
- Schur®Star Jar Bags will bring your product into **focus** and ensure it stands out on the supermarket shelves
