**ITASYSTEM**  
 TAGS & LABELS

**LILLOSiGILLO** the revolutionary  
system of **quality control** and  
**traceability** for the production  
chain in the food industry.

**Inviolable** thanks to ultrasonic welding

**Metal free** because it is made entirely from food-grade plastic

**Printable** with variable data

**Resistant** up to 120°C

**Patented** in Europe and the USA

## LABELLING MACHINES

**QB 104**

The variable data are printed in fast drying ink and simultaneously the tag is ultrasonically welded onto the salami string.

Ultrasonic welding works even on wet products. The machine is designed to work in the production department:

- CE certified
- Silent
- Low energy consumption

**MINI**

29×19 mm

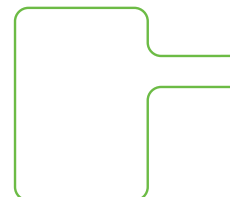

**MAXI**

28×30 mm

**XXL**

40×50 mm

**JUMBO**

55×80 mm

EXAMPLE DATA PRINTED BY INK

# QB 130

Various models available  
depending on the size:

## LILLOSIGILLO® XXL

(40×50 mm)

## LILLOSIGILLO® Jumbo

(55×80 mm).

**LILLOSIGILLO® is pre-printed on one side only and the other side is printed when the tag is attached by the machine. The machine is integrated with the thermal transfer printer for printing all the variable data, including the Windows Software compatible nutrition declaration, for the management of text and all the main barcodes.**

### SALAME

Ingredienti: carne di suino, sale, Zuccheri: destrosio, saccarosio, aromi, spezie, Antiossidante: E300, Conservanti: E252-E250. Da vendersi a peso.
