

# SOYLUTION FOR MEAT-FREE CHICK´N NUGGETS

## THE MARKET & THE CONSUMER

Consumers want reassurance that meat alternatives contain real ingredients that they recognise and trust. Clean label and a short ingredients list are important. Besides health and environmental concerns, the consumer is not willing to compromise on taste and texture satisfaction.

## CREATE SUCCESSFUL RECIPES WITH SOY AUSTRIA AND EXCEED CONSUMER EXPECTATIONS!

**SOYTEXTURE** is texturized soy protein, manufactured from Non-GMO soybeans, free from any chemicals and solvents! The way of processing helps determine the overall environmental impact of a plant protein. That's why we have committed to following the principle of minimal processing; refrain from using any chemicals and solvents!
