

Shanghai Xunduo Laundry Equipment Co., Ltd.

Shanghai Xunduo Laundry Equipment Co., Ltd. was founded in 2000. We focused on the R&D, production, sales, and marketing of laundry equipment for more than 20 years. And we also make professional solutions for all the commercial laundry service. Our main products include integrated laundry system, washer extractor, tumble dryer, flatwork ironer, dry cleaning machine, folding machines etc. Shanghai Xunduo factory covers abt. an area of 27,195 square meters, and with more than 100 sets of various production and processing equipment.

As a professional manufacturer with more than 20 years of export experience. We have passed ISO9001 and CE international certificate. Our products are widely recognized and trusted by customers all over the world and are applied in hotels, schools, hospitals, military, professional industrial laundry companies, etc. Quality and service is the life of our company. To ensure high quality, our company spares no expense to the introduction of international advanced equipment, such as laser cutting machines, CNC machine tools, CNC turret punch press machines, 800-ton press machines, etc. We take full responsibility of repair, replacement or refund, if serious quality problems happen. Our company is committed to providing the best solution for your laundry with peak performance, efficient work and long life. We have served thousands of satisfied customers from almost 150 countries around the world for about 20 years. We enjoy a high reputation both at home and abroad. We aim to be your best partner and supplier of commercial laundry equipment in China.
