OUR OFFER FOR THE  
HOUSING INDUSTRY

# TCS STANDS FOR EXPERIENCE, QUALITY AND SERVICE FROM GERMANY.

## TCS

We are a Black Forest family business with headquarters in Genthin. Our products stand for **simple installation, top quality and fair prices – Made in Germany.** We develop and manufacture innovative system technology for building communication.

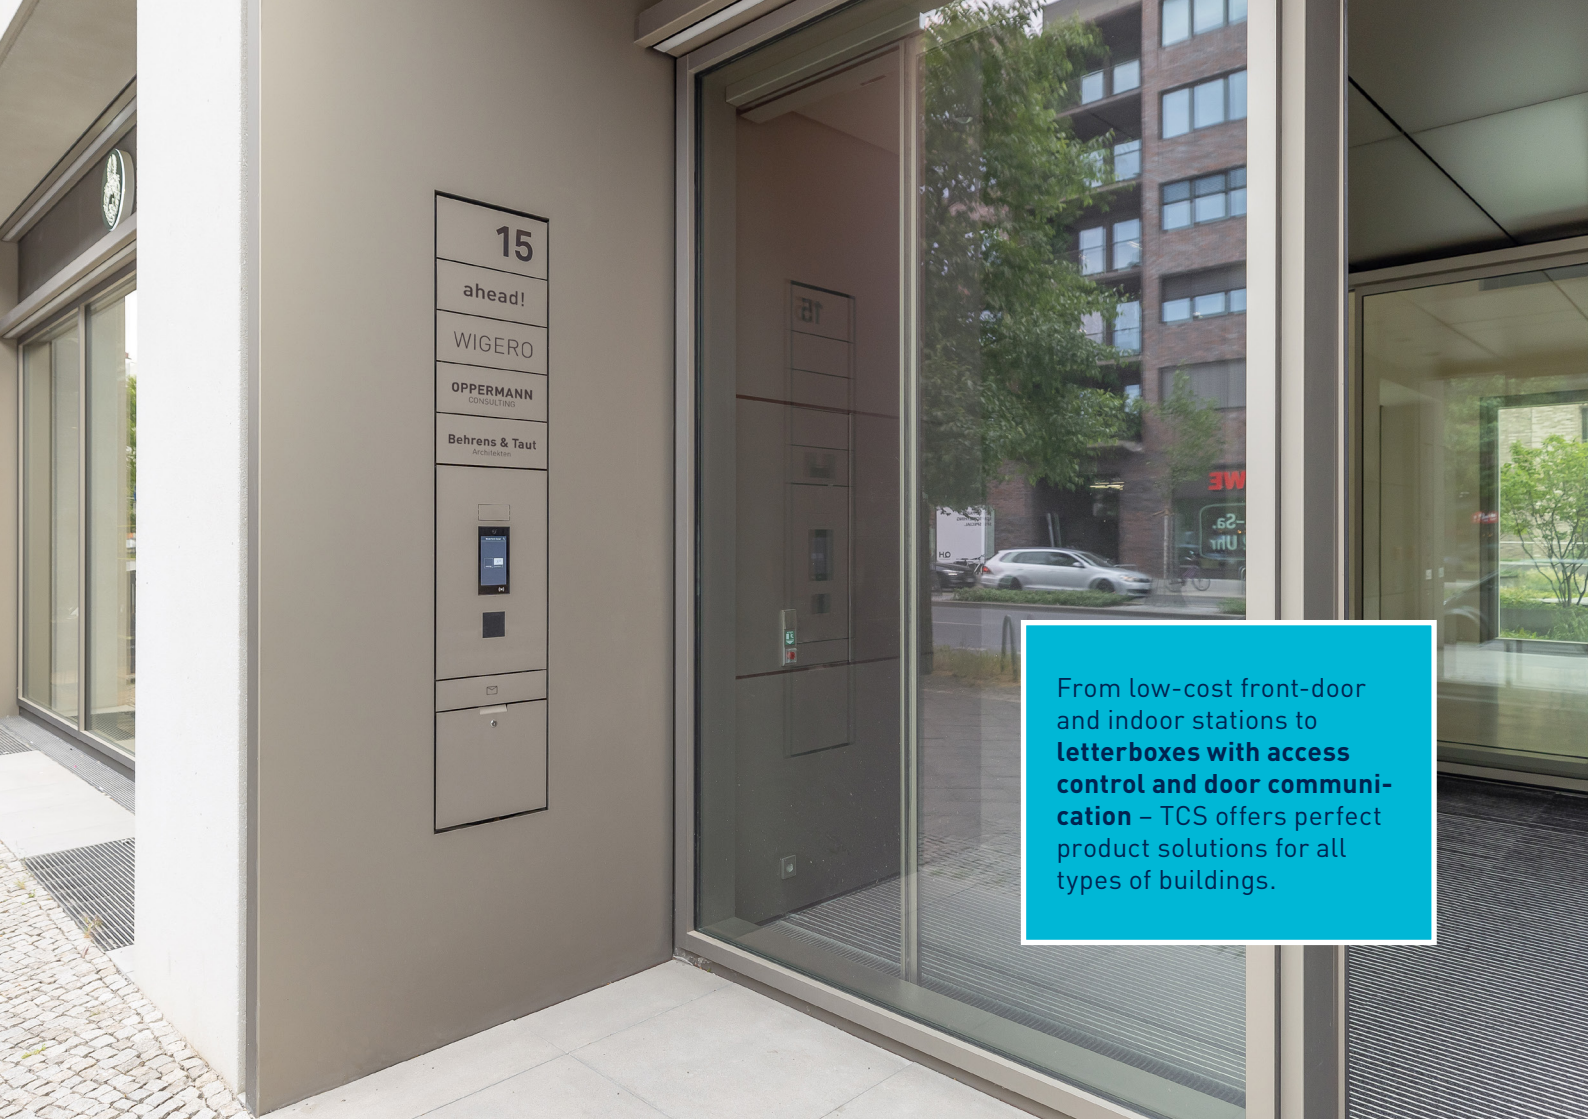

## THREE MILLION REFERENCES

Our references include over 3 million homes in Germany and Europe in which our products are installed and in some cases have been in operation for decades. **We deliver reliability and comfort for every home.**

## FUTURE-PROOF, BARRIER-FREE, SIMPLE AND BACK- WARD COMPATIBLE

With these product features we **have been** convincing the housing industry, planners, installers and residents for **30 years.**

From low-cost front-door and indoor stations to **letterboxes with access control and door communication** – TCS offers perfect product solutions for all types of buildings.

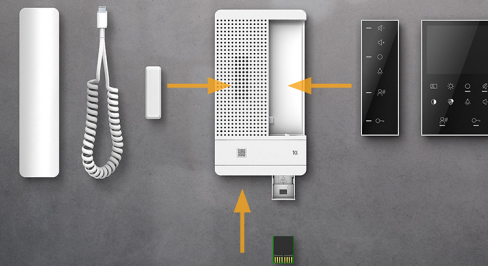

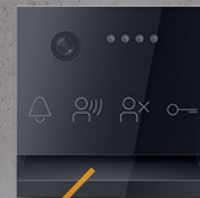

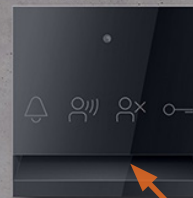

## **FUTURE-PROOF COMPATIBILITY**

ORDER SPARE PARTS IN OUR ONLINE SHOP OR  
EASILY INTEGRATE NEW DEVICES AND FUNCTIONAL  
EXTENSIONS INTO EXISTING SYSTEMS AT A LATER  
DATE.

Our modular, barrier-free and cost-effective devices are made to integrate additional functions at a later date. Thus, new TCS devices which are backwards compatible for 30 years, can be added to existing TCS systems. With these minor interventions, we guarantee the long-term operation of your system.

**Retrofitting** a front-door station **from audio to video**: simply replace the communication module of the **PES Pro**.

**Modular expansion** of an indoor station **from audio to video**: simply replace the communication module of the **Senso Pro**. Additional modules: handset and smart stick for smartphone app or DECT telephones. **Simply plug & play.**
