RISK AND
MATERIALITY
ANALYSIS

A hand is holding a glowing circular light fixture. The light fixture is a bright, warm white circle. Inside the circle, the text "REAL PROGRESS" is written in bold, uppercase letters. Below it, three lines of text are listed: "Reduction of plastics, emissions, and waste", "Energy consumption optimization", and "Use of more sustainable materials". The background is dark, with some green foliage visible on the right side. Two spotlights are visible in the upper right corner, casting light on the scene.

REAL PROGRESS

Reduction of plastics, emissions, and waste
Energy consumption optimization
Use of more sustainable materials

Moving towards a more
responsible model
