

PUMPKIN SPICE

RUSTIC CHARM OF FALL

“Pumpkin Spice” by J-Line is an ode to autumn, weaving a rich tapestry of vermillion, orange, spicy mustard, brown, and honey gold. Centrepieces like dining and coffee tables, with their brown marble tops and tobacco wood, evoke a sense of wonder. This collection embodies warmth, cosiness, and comfort, steeped in nostalgia and a nod to the past. Each piece invites intimacy, blending the mysterious with the familiar to create an atmosphere where every moment is infused with an enriching, autumnal glow.
