A vintage globe with a brass frame and a wooden base is the central focus. It is positioned next to a dark brown leather suitcase with brass studs and a metal latch. In the background, there are several books with ornate, gold-tooled spines. One book spine clearly shows the word 'HAMLET'. The globe's map is aged and shows some wear. The entire scene is set against a neutral, light-colored background.

A photograph of a room corner with a teal wall and light wood floor. On the wall is a large, diamond-shaped artwork with a white background and a golden, concentric circular pattern. In the foreground, there are three lanterns: two tall, ornate gold ones with glass panels and a small white one with a gold top. To the right is a large, cylindrical, cream-colored object with a gold band and legs, possibly a lamp or a decorative piece. A semi-transparent teal box with text is overlaid on the right side of the image.

A still life arrangement featuring a patterned folding screen, several potted plants, and vintage-style trunks and baskets. The scene is set against a neutral background. A large, ornate folding screen with a complex geometric and floral pattern in muted colors stands in the background. In the foreground, there are three vintage-style trunks: a small light-colored one on the left, a medium brown one in the center, and a larger brown one on the right. Several woven baskets are scattered around, some containing plants. Two tall, slender plants with long, thin leaves are positioned on either side of the central trunk. A smaller, round woven basket sits on top of the medium trunk. The overall aesthetic is rustic and bohemian.
