Handcrafted Treasures from Bethlehem

A Timeless Tradition from the Heart of Bethlehem

Welcome to Bethlehem, Palestine—home to a rich tradition of olive wood handicrafts, an art form deeply intertwined with the culture and heritage of this sacred land. For centuries, skilled artisans in the region surrounding the Shepherds' Field have transformed olive wood into objects of both beauty and meaning. Inspired by the Nativity Story, this craftsmanship reflects the spirit of Bethlehem: its history, its faith, and its commitment to preserving age-old techniques.

From nativity scenes that tell the story of Christmas to delicately carved crosses and intricately detailed ornaments, Bethlehem's olive wood handicrafts hold a special place in hearts around the world. The natural grain of the olive wood adds a unique character to every piece, making each item a one-of-a-kind treasure.
