**STAY TUNED E CHIEDI AL TUO AGENTE DI ZONA LE INFORMAZIONI SU DATE E DISPONIBILITÀ!**

**STAY TUNED AND CONTACT YOUR LOCAL AGENT FOR INFORMATION ON DATES AND AVAILABILITY!**

**Controlliamo ogni prodotto con un metal detector che individua l'eventuale presenza di masse metalliche anche estremamente piccole (1,5 mm) e ci affidiamo a laboratori esterni per i test sugli elementi applicati, compresi quelli sugli ftalati e azocoloranti.**

We check each product with a metal detector, which identifies the presence of any metal pieces, even if extremely small (1,5 mm). Moreover, external laboratories carry out tests on applied parts, including those on phthalates and azo dyes.

**I fornitori che lavorano per Trudi sottoscrivono il Codice Deontologico dell'azienda che vieta sfruttamento minorile, lavoro forzato, discriminazioni e garantisce i diritti dei lavoratori, ambiente salubre e salario a norma.**

All suppliers who work for Trudi sign the Company's Ethical Code which forbids child exploitation, forced labour, discrimination and safeguards the rights of workers and guarantees a healthy environment and legal wages.

## SAFETY AND QUALITY

**Il costante sviluppo creativo e la ricerca tecnologica più avanzata, ci permettono di offrire peluche d'alta qualità e ricercato design. Le nostre creazioni sono realizzate secondo i più accurati sistemi di produzione.**

Our constant creative development and increasingly advanced technological research have enabled us to offer high quality soft toys and a refined design. Our creations are made adopting the most precise production systems in order to ensure our customers' safety.

**I prototipi delle creazioni Trudi sono realizzati a mano. Sulla base dei cartamodelli preparati dai nostri creativi, sono cuciti, rifiniti, controllati e spazzolati artigianalmente. Utilizziamo solo materie prime d'altissima qualità, ignifughe e atossiche.**

The prototypes of the Trudi creations are all hand-made. Based on the paper patterns prepared by our designers, they are then sewn, finished, inspected and brushed by hand. We only use fireproof and non-toxic raw materials of the highest quality.

Trudi, da sempre sensibile alle problematiche ambientali legate alla salvaguardia del pianeta, riconosce l'importanza del riciclo per la crescita di un modello di produzione e consumo sostenibile, con l'obiettivo di favorire la riduzione del consumo delle risorse e aumentare la qualità dei prodotti riciclati.

Trudi, always sensitive to environmental issues related to the protection of the planet, recognizes the importance of recycling for the growth of a sustainable production and consumption model, with the aim of promoting the reduction of resource consumption and increasing the quality of recycled products.

**Per questo, dalle produzioni del 2022 tutti i prodotti saranno prodotti con imbottitura in fibra di poliestere, 100% materiale riciclato.**

For this reason, from the productions of 2022 all the products will be produced with polyester fibers stuffing, 100% recycled materials.

## PRODUCT CARE

Se a seguito di una prolungata esposizione il prodotto diventasse sporco o impolverato, questo può essere **lavato in lavatrice** usando un programma per capi delicati, sapone neutro e una temperatura massima di 30°C.

Should the product soil or become dusty after a prolonged display, we wish to remind you that it can be washed machine with neutral soap, at less than 30°C (85°F).

Per articoli di grandi dimensioni o contenenti sonagli, carillon, legno, parti elettroniche, ecc. vi consigliamo di **lavare a mano** con spugna imbevuta di acqua con sapone neutro e risciacquare con cura. Strizzare dolcemente per far uscire l'acqua e asciugare a temperatura ambiente.

If the toy is large or has music boxes, wooden or electric components in it, we recommend you to wash it by hand with a soapy sponge and rinse it well. Squeeze it gently and let it dry at room temperature.

**I protagonisti di questo mondo sono cuccioli e animali realisticamente interpretati con un tocco di simpatia e dolcezza.**

The protagonists of this world are baby and adult animals realistically interpreted with a touch of friendliness and sweetness.

**I materiali, morbidi e pregiati, sono l'elemento distintivo di ogni soggetto e consentono di lavorare con precisione scultorea le forme e riprodurre fedelmente ogni dettaglio.**

The soft and precious materials are the distinguishing element of each character and allow to precisely define the shapes and faithfully reproduce every detail.

## TRUDI PLUSH

**Tutti gli animali sono ritratti in famiglie nelle quali i soggetti in taglia più piccola hanno proporzioni da cuccioli che crescendo di taglia diventano man mano più adulte.**

All the animals are represented in families where the smallest characters have baby animal proportions that, as their size increases, become adult animal proportions.

A young boy with dark hair is lying on his back on a white, shaggy rug. He is wearing a white t-shirt, blue denim overalls, and grey shorts. He is smiling at the camera. A small, striped tiger stuffed animal is resting on his chest. He is surrounded by dozens of other Trudini stuffed animals of various sizes and species, including pandas, giraffes, monkeys, and birds. The scene is brightly lit and festive.

**Gli animali Trudi interagiscono con i bambini sotto nuove forme e condividono con loro il proprio mondo.**

Trudi's animals interact with children and share their world with them.

**I morbidi tessuti utilizzati, sono il filo conduttore con gli altri mondi Trudi e vengono scelti per esaltare la funzionalità dei nuovi giocattoli.**

The soft fabrics used are the common thread with the other Trudi worlds and are chosen to enhance the functionality of the new toys.

## TRUDI MORE

**Ogni linea racchiude un concetto educativo o di gioco ben preciso, studiato per sviluppare la fantasia dei bambini e realizzato senza tralasciare la cura nei dettagli e il design tipico di Trudi.**

Each line comprises a specific educational or playing concept to develop children's imagination, created with great attention to the smallest details and Trudi's typical design.

Wir kontrollieren jedes Produkt mit einem Metalldetektor, der eventuell vorhandene und auch extrem kleine (1,5 mm) Metallkörper findet, und wir arbeiten für die Tests an den verwendeten Elementen einschließlich der Tests für Phtalate und Azofarbstoffe mit externen Laboratorien zusammen.

Tous nos produits sont contrôlés avec un détecteur de métaux de manière à découvrir la présence éventuelle de masses métalliques même extrêmement petites (1,5 mm) et nous nous adressons à des laboratoires externes afin qu'ils effectuent des tests sur les éléments appliqués, y compris ceux sur les phtalates et les azocolorants.

Controlamos cada producto con un detector de metales, que determina la eventual presencia de cuerpos metálicos, incluso extremadamente pequeños (1,5 mm), y nos encomendamos a laboratorios externos para las pruebas sobre los elementos aplicados, incluidas las pruebas sobre los ftalatos y azocolorantes.

Die Lieferanten, die für Trudi arbeiten, unterzeichnen den Ethikkodex des Unternehmens, der Kinderarbeit, Zwangsarbeit sowie Diskriminierungen verbietet und die Rechte der Arbeitnehmer.

Tous les fournisseurs qui travaillent pour Trudi ont signé le Code Déontologique de l'Entreprise qui interdit l'exploitation des mineurs, le travail forcé, la discrimination et garantit les droits des travailleurs ainsi qu'un lieu de travail sain et un salaire conforme aux normes.

Los proveedores que trabajan para Trudi suscriben el Código Deontológico de la empresa que prohíbe la explotación de los menores, el trabajo forzado, las discriminaciones y garantiza los derechos de los trabajadores, un ambiente salubre y un salario conforme a la Ley.

## SAFETY AND QUALITY

Die kontinuierliche kreative Entwicklung und die fortschrittlichste technologische Forschung erlauben es uns, hochwertige

Plüschtiere mit einem formschönen Design vorzustellen. Zur Gewährleistung der Sicherheit unserer Kunden werden unsere Kreationen mit sorgfältigsten Produktionssystemen hergestellt.

Un développement créatif constant et une technologie de pointe nous permettent d'offrir des peluches de qualité élevée au design recherché. Nos créations sont réalisées selon des systèmes de production extrêmement soignés pour garantir la sécurité de nos clients.

El constante desarrollo creativo y la investigación tecnológica más avanzada nos permiten ofrecer peluches de alta calidad y diseño elegante. Nuestras creaciones están realizadas según los más escrupulosos sistemas de fabricación.

Die Prototypen der Kreationen von Trudi sind handgefertigt. Auf der Grundlage von Schnittmustern, die vorbereitet werden von unseren Kreativmitarbeitern, werden sie in handwerklicher Arbeit genäht, vollendet, kontrolliert und gebürstet.

Wir verwenden feuerfeste und ungiftige Rohstoffe von höchster Qualität.

Les prototypes des créations Trudi sont réalisés à la main. Sur la base de patrons préparés par nos créateurs, ils sont cousus, finis, contrôlés et brossés artisanalement. Seules des matières premières de très haute qualité, ignifuges et atoxiques, sont utilisées.

Los prototipos de las creaciones Trudi están realizados a mano. Sobre la base de los patrones preparados por nuestros creadores, están cosidos, acabados, controlados y cepillados artesanalmente. Utilizamos sólo materias primas de altísima calidad, ignífugas y atóxicas.

Trudi, die seit jeher für Umweltfragen im Zusammenhang mit dem Schutz des Planeten sensibilisiert ist, erkennt die Bedeutung des Recyclings für die Entwicklung eines nachhaltigen Produktions- und Verbrauchsmodells an, mit dem Ziel, die Verringerung des Ressourcenverbrauchs zu fördern und die Qualität der recycelten Produkte zu verbessern.

Trudi, toujours sensible aux enjeux environnementaux liés à la protection de la planète, reconnaît l'importance du recyclage pour la croissance d'un modèle de production et de consommation durable, dans le but de favoriser la réduction de la consommation des ressources et d'augmenter la qualité des produits recyclés.

Trudi, que siempre ha sido sensible a las cuestiones medioambientales relacionadas con la salvaguarda del planeta, reconoce la importancia del reciclaje para el crecimiento de un modelo de producción y consumo sostenible, con el objetivo de favorecer la reducción del consumo de recursos y aumentar la calidad de los productos reciclados.

Aus diesem Grund werden ab der Produktion im Jahr 2022 alle Produkte mit einer Polsterung aus 100% Polyester hergestellt, die hauptsächlich aus recyceltem Material besteht.

Pour cette raison, à partir des nouvelles productions 2022, tous les produits seront fabriqués avec un rembourrage composé avec 100% de polyester, provenant principalement de matériaux recyclés.

Por este motivo, a partir de la producción de 2022 todos los productos se fabricarán con acolchado de poliéster al 100%, procedente principalmente de material reciclado.

## PRODUCT CARE

Ist der Artikel nach längerer Assutellungszeit verschmutzt oder verstaubt, sei daran erinnert, daßer waschbar ist sind im Schonwaschgang und mit Feinwaschmittel bis 30°C waschmaschinen-geeignet.

Si, à la suite d'une exposition prolongée, le produit devient sale ou poussiéreux, il peut être lavé en machine, avec un savon neutre et une température de 30°C maximum.

Si, debido a una exposición prolongada, el producto se ensuciará o llenará de polvo, se pueden poner en la lavadora con jabón neutro y una temperatura máxima de 30°C.

Plüschtiere, die wegen ihrer Größe nicht in die Waschmaschine passen oder Artikel mit Spieluhr, Holz und elektronische Elemente, bitte von Hand mit Schwamm und Seife waschen und gut nachspülen. Wasser mit leichtem Druck auspressen und bei Zimmertemperatur trocknen.

Pour les articles de grandes dimensions ou contenant des carillons, éléments en bois ou électriques, il est conseillé de les laver à la main avec une éponge imbibée d'eau et de savon, puis de les rincer abondamment. Les tordre délicatement et laisser sécher à température ambiante.

Les aconsejamos lavar a mano con una esponja húmeda con agua y jabón y enjuagar con agua los artículos de grandes dimensiones o que contienen carillón, madera o partes electrónicas. Escurrir suavemente para quitar el agua y secar a temperatura ambiente.
