“Pelion’s Ancient Elixir Revived: PĒLION Body Oil Delivers Natural Stretch-Mark, Cellulite & Firming Care”

A centuries-old Pelion botanical formula, enhanced with modern actives, crafted for visible skin renewal and elasticity.

PĒLION introduces its luxurious **Body Oil – Stretch Marks, Cellulite & Firming**, a 100% natural elixir blending organic balsam oil with the finest herbal oils from Pelion. This rich, sensory body oil is designed to visibly firm the skin, reduce stretch marks, and diminish cellulite with each application.

Key Benefits & Innovation

- **Ancient Botanical Heritage:** At the heart of the formula is hand-harvested **balsam oil**, made by infusing wild Pelion herbs (Sedum spectabile) in organic extra-virgin olive oil.
- Targeted Natural Actives:
 - **Ivy oil** supports micro-circulation and reduces fluid retention, visibly minimizing cellulite.
 - **Grapeseed oil**, rich in Vitamin E, hydrates deeply, enhances skin radiance, and supports healing in cases of dryness or inflammation.
 - **Almond oil** delivers intense nourishment, antioxidant action, and improves overall skin texture.
- **Holistic Skin Renewal:** Already after the first use, the skin appears firmer and more elastic. With consistent use, it supports lasting improvement in tone and texture.
- **Elegant Sensory Profile:** Wrapped in a warm, luxurious scent blend, vanilla, coconut, and ylang-ylang, it provides a sensorially rich experience that transforms daily skincare into a ritual.
