PRODUCT INTRODUCTION

Story of Noni

Native to the South Pacific islands, Noni fruit is known as the “Gift from God” with over more than 140 kinds of phytochemical antioxidants & 200 types of minerals and vitamins, thus has been used by traditional medical practitioners to prevent and cure illnesses for centuries.

Rich in vitamins A, B3, C & minerals(iron, calcium, sodium, potassium), it not only helps to improve the elastic & tone of the skin but also helps to soothe, reduce redness & swelling while healing skin troubles with its anti-inflammatory, antifungal, and antibacterial properties.

celimax’s Noni Skincare is infused with Noni Fruit Extract effectively soothes the irritated skin while the abundant antioxidants in Noni provide a vibrant & bright complexion.

celimax The Real

Noni Refresh Clay Mask

A skin purifying clay mask enriched with 30% Noni Fruit Extract and Noni Powder

100ml KRSP 18,000

Nutrient Boosting Ingredients

30% of Noni Fruit Extract with a high volume of moisture and nutrients, blended into clay provides better permeation and intense hydration to the skin.

Gentle but Enhanced Exfoliation

13,000ppm of grounded dry Noni powder serves as a gentle facial scrub to enhance the effect of exfoliation of dead skin cells and secreted sebum, while Noni Extract presents rich moisture to clay.

Easy Wash Off without Skin Irritation

Not too dry, but yet soft texture of clay mask that easily soluble in lukewarm water provides a comfortable cleansing experience.

celimax The Real

Noni Moisture Balancing Toner

A gentle skin balancing & exfoliating toner to care your skin smooth with 80.1% of Noni Fruit Extract

150ml KRSP 25,000
