피부 저자극 테스트

연구기관	에프로보텍 피부임상연구센터	연구기간	2023.03.07 - 23.03.09
의뢰기관	에뮤엘크레레이션	연구번호	PM-23M17-SA065
연구명	"글루타치온 나이아신아마이드 시리즈 6종"의 피부점로해 의한 피부 일차자극 평가에 대한 인체적용시험		
연구목적	"글루타치온 나이아신아마이드 시리즈 6종"의 피부점로해 의한 피부 일차자극 유무를 확인하고자 함		
시험대상자	만 20~60 세의 피부질환이나 피부 알레르기가 없는 성인, 30 명		
시험부위	등 부위		

평가방법

PCPC(Personal Care Products Council)와 안전성 평가 가이드라인, ICDRG(International Contact Dermatitis Research Group)의 판정기준, Frosch & Kligman

연구결과

"글루타치온 나이아신아마이드 시리즈 6종"의 평균 피부반응도는 0.00 으로, 계(부)자극으로 판정되었다

GLUTATHIONE NIACINAMIDE LINE

Whitening Moisturizing Glowing Skin

APLB GLUTATHIONE NIACINAMIDE AMPOULE SERUM

40ml / 1.35 FL.OZ.

LIPO GLUTA NIAC CEN™ 31.3% (Glutathione 1,000ppm, Niacinamide 20,000ppm, Centella Asiatica Leaf Water 29.2%), combined with Centella 3x Complex™ and patented ingredients make it a premium ampoule serum that provides rich nutrition and deep moisture to the skin, making it vibrant and hydrated.

Centella 3x Complex™
Madecassic Acid, Asiaticoside, Asiatic Acid

Patent Registration Number 10-1332214
Nelumbo Nucifera Extract, Artemisia Annua Extract, Oryza Sativa (Rice) Extract, Sacchar omyces Ferment

How to use : After washing your face, take an appropriate amount with a dropper, apply it to your skin, and tap it gently to absorb.

Cautions : Keep out of reach of children. For external use only. Avoid contact with eyes. Immediately discontinue use if irritation or rash occurs.

APLB GLUTATHIONE NIACINAMIDE FACIAL CREAM

55ml / 1.86 FL.OZ.

LIPO GLUTA NIAC CEN™ 24.8% (Glutathione 1,000ppm, Niacinamide 20,000ppm, Centella Asiatica Leaf Water 22.7%), combined with Centella 3x Complex™ and patented ingredients make it a premium facial cream that provides rich nutrition and deep moisture to the skin, making it vibrant and hydrated.

Centella 3x Complex™
Madecassic Acid, Asiaticoside, Asiatic Acid

Patent Registration Number 10-1332214
Nelumbo Nucifera Extract, Artemisia Annua Extract, Oryza Sativa (Rice) Extract, Sacchar omyces Ferment

How to use : In the morning and evening, take a small amount of cream and apply it to your entire face. Apply it in the same direction as your skin's texture and let it absorb.

Cautions : Keep out of reach of children. For external use only. Avoid contact with eyes. Immediately discontinue use if irritation or rash occurs.

APLB GLUTATHIONE NIACINAMIDE MIST ESSENCE

105ml / 3.55 FL.OZ.

LIPO GLUTA NIAC CEN™ 22.6% (Glutathione 1,000ppm, Niacinamide 20,000ppm, Centella Asiatica Leaf Water 20.5%), combined with Centella 3x Complex™ and patented ingredients make it a premium mist essence that provides rich nutrition and deep moisture to the skin, making it vibrant and hydrated.

Centella 3x Complex™
Madecassic Acid, Asiaticoside, Asiatic Acid

Patent Registration Number 10-1332214
Nelumbo Nucifera Extract, Artemisia Annua Extract, Oryza Sativa (Rice) Extract, Sacchar omyces Ferment

How to use : Close your eyes, spray 2-3 times 20cm away from your face, and tap gently with your hands to absorb. To keep yourself moisturized, spray it several times a day.

Cautions : Keep out of reach of children. For external use only. Avoid contact with eyes. Immediately discontinue use if irritation or rash occurs.

APLB GLUTATHIONE NIACINAMIDE FACIAL TONER

160ml / 5.41 FL.OZ.

LIPO GLUTA NIAC CEN™ 15.2% (Glutathione 1,000ppm, Niacinamide 20,000ppm, Centella Asiatica Leaf Water 13.1%), combined with Centella 3x Complex™ and patented ingredients make it a premium facial toner that provides rich nutrition and deep moisture to the skin, making it vibrant and hydrated.

Centella 3x Complex™
Madecassic Acid, Asiaticoside, Asiatic Acid

Patent Registration Number 10-1332214
Nelumbo Nucifera Extract, Artemisia Annua Extract, Oryza Sativa (Rice) Extract, Sacchar omyces Ferment

How to use : After washing your face, take an appropriate amount on a cotton pad, gently wipe it along the skin texture, and tap gently to absorb.

Cautions : Keep out of reach of children. For external use only. Avoid contact with eyes. Immediately discontinue use if irritation or rash occurs.

APLB GLUTATHIONE NIACINAMIDE BEAUTY TABLET

500mg / 30 Tablets

Glutathione 3%, Niacinamide 15.5%, and combined with Vitamin Mineral 6x Complex™ make it a premium beauty tablet that provides rich nutrients with vitamins and minerals.

Vitamin Mineral 6x Complex™
Vitamin B2, Vitamin B6, Vitamin D, Vitamin E, Zinc, Selenium

How to use : Take 1 tablet a day with water.

Cautions : If you have an unusual or allergic constitution, check the ingredients before consuming. In case of adverse event occurs, discontinue use and consult a specialist.

APLB GLUTATHIONE NIACINAMIDE EYE CREAM

20ml / 0.68 FL.OZ.

LIPO GLUTA NIAC CEN™ 27.4% (Glutathione 1,000ppm, Niacinamide 20,000ppm, Centella Asiatica Leaf Water 25.3%), combined with Centella 3x Complex™ and patented ingredients make it a premium eye cream that provides rich nutrition and deep moisture to the skin, making it vibrant and hydrated.

Centella 3x Complex™
Madecassic Acid, Asiaticoside, Asiatic Acid

Patent Registration Number 10-1332214
Nelumbo Nucifera Extract, Artemisia Annua Extract, Oryza Sativa (Rice) Extract, Sacchar omyces Ferment

How to use : In the morning and evening, apply a small amount around the eye area and lightly massage it into the skin, using an outward motion up from the eye region.

Cautions : Keep out of reach of children. For external use only. Avoid contact with eyes. Immediately discontinue use if irritation or rash occurs.

GLUTATHIONE NIACINAMIDE LINE

APLB
GLUTATHIONE NIACINAMIDE
SUNSCREEN
40ml / 1.35 FL.OZ.

LIPO GLUTA NIAC CEN™ (Glutathione 200ppm, Niacinamide 1,000ppm, Centella Asiatica Leaf Water 1,000ppm), combined with Centella 3x Complex™ and patented ingredients make it a premium sunscreen that provides rich nutrition and deep moisture to the skin, while effectively blocks UV rays.

Centella 3x Complex™
Madecassic Acid, Asiaticoside, Asiatic Acid

Patent Registration Number 10-1332214
Nelumbo Nucifera Extract, Artemisia Annua Extract, Oryza Sativa (Rice) Extract, Sacchar omyces Ferment

How to use : At the last stage of skin care, apply evenly to areas of the body exposed to UV rays such as the face, neck, arms, and legs.

Cautions : Keep out of reach of children. For external use only. Avoid contact with eyes. Immediately discontinue use if irritation or rash occurs.

APLB
GLUTATHIONE NIACINAMIDE
FACIAL CLEANSER
80ml / 2.71 FL.OZ.

LIPO GLUTA NIAC CEN™ 8.6% (Glutathione 1,000ppm, Niacinamide 1,000ppm, Centella Asiatica Leaf Water 8.4%), combined with Centella 3x Complex™ and patented ingredients make it a premium facial cleanser that gently and effectively removes makeup residues and wastes from the skin with dense foam.

Centella 3x Complex™
Madecassic Acid, Asiaticoside, Asiatic Acid

Patent Registration Number 10-1332214
Nelumbo Nucifera Extract, Artemisia Annua Extract, Oryza Sativa (Rice) Extract, Sacchar omyces Ferment

How to use : Take an appropriate amount and work into a rich lather. Massage your face and rinse thoroughly with
lukewarm water.

Cautions : Keep out of reach of children. For external use only. Avoid contact with eyes. Immediately discontinue use if irritation or rash occurs.

APLB
GLUTATHIONE NIACINAMIDE
BODY WASH
300ml / 10.14 FL.OZ.

LIPO GLUTA NIAC CEN™ 5.3% (Glutathione 1,000ppm, Niacinamide 1,000ppm, Centella Asiatica Leaf Water 5.1%), combined with Centella 3x Complex™ patented ingredients make it a premium Body Wash that provides rich nutrition and deep moisture to the skin even after showering.

Centella 3x Complex™
Madecassic Acid, Asiaticoside, Asiatic Acid

Patent Registration Number 10-1332214
Nelumbo Nucifera Extract, Artemisia Annua Extract, Oryza Sativa (Rice) Extract, Sacchar omyces Ferment

How to use : Take an appropriate amount, lather, gently massage the whole body, and then rinsely thoroughly with lukewarm water.

Cautions : Keep out of reach of children. For external use only. Avoid contact with eyes. Immediately discontinue use if irritation or rash occurs.
