

**Beautifully smooth
skin with Silkia**

Beautifully smooth skin with Silkia

Silkia is a British personal care brand that centres around well-nourished skin. With a comprehensive range of dermatologically tested products, Silkia has made its mark in both European and Asian markets. One of our standout products is our highly acclaimed Cracked Heel Repair solution featuring multi-patented +Keratin Technology.

Silkia Heel Repair Range Keeping Feet Healthy

The average person walks around 200 million steps in a lifetime, so it's extremely important to take care of your feet. Silkia Cracked Heel Repair solutions give feet the care they deserve and leave the skin feeling beautifully soft and smooth. Our unique products are available as a roll-on or cream.

Silkia Cracked Heel Repair Cream

Available sizes:

80ml and 35ml

Silkia Cracked Heel Repair Cream is uniquely formulated with multi-patented +Keratin Technology. The cream provides visible results and repairs cracked heels within 48 hours.

Silkia Cracked Heel Repair Roll-on

Available size:

50 ml

Silkia PediCare Cracked Heel Repair Cream is now available in a handy roll-on. The same +Keratin Technology formula in an easy-to-use roll-on dispenser.

NEW!

Silkia Hand Care

Soothe Your Hands with Silkia Hand Care

Silkia Hand Repair Cream

Available size:

50 ml

Silkia Hand Repair Cream is uniquely formulated for dry and very dry hands with +Keratin Technology. Alleviates dryness and helps restore the protective skin barrier.

Silkia Hand Cream

Available size:

30 ml

Silkia Hand Cream is uniquely formulated with 3 different scents, and Hand Repair Cream is specially formulated to alleviate dryness using a unique Keratin technology.

+Keratin Technology

Multi-patented +Keratin Technology uses pure keratin as a key ingredient to promote fast skin repair.

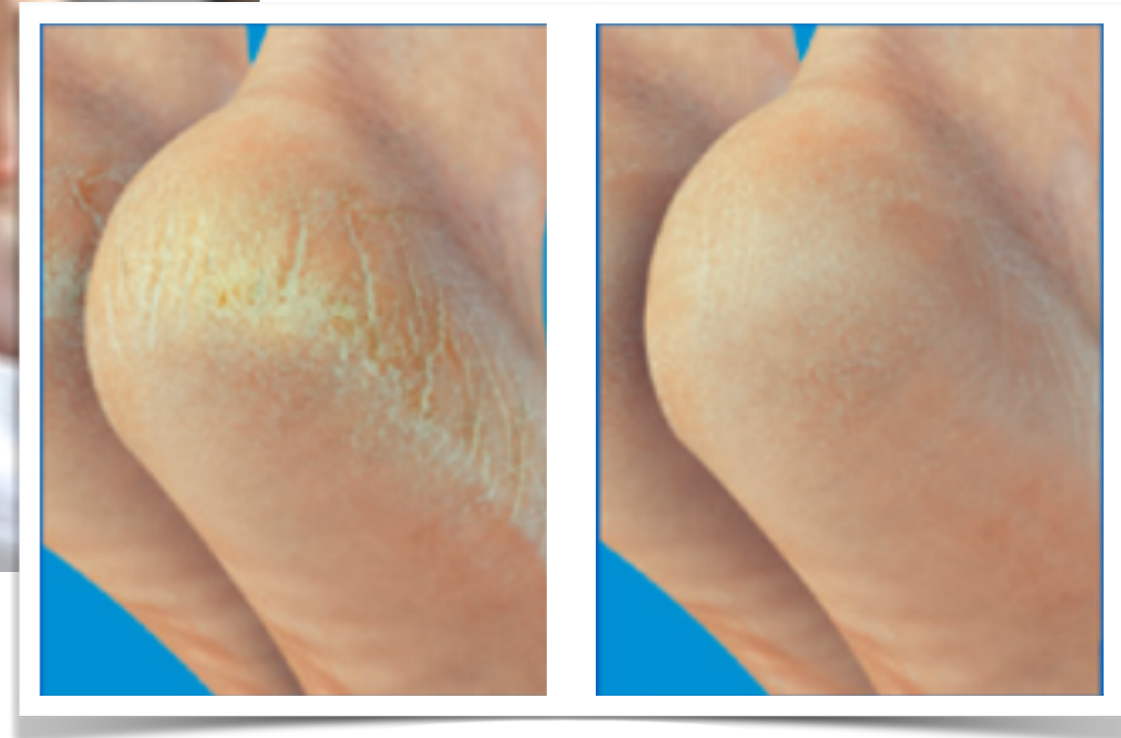

Suitable for General and Diabetic

Silkia PediCare Cracked Heel Repair products are suitable for diabetes-related problems such as dryness and cracking.

Versatile Application

Silkia PediCare Cracked Heel Repair Cream's moisturising properties also help to soothe damaged and dry skin on **hands, elbows** and **knees**.

Rapid Improvements

Silkia PediCare Cracked Heel Repair Cream is shown to be effective in just 48 hours.

mommaboxley #ad Step towards healthy feet! 🦶

Being a busy mum I'm always on the go and on my feet, so I suffer with cracked heels.. but not anymore with #silkiak

As part of my bedtime routine I use @silkia_uk Heel Repair Cream. zzz

Feel more confident with your healthy #pedicare cracked free feet!

You can get this product at; Aldi UK, B&M, Home Bargains, ASDA & Bodycare! (35ml RRP £5.00 and 80ml RRP £6.00)

Oia, Santorini -Greece-

taislany [#ad](#) I am not going to lie, Santorini involves a LOT of walking 😓 Thankfully, I did my research and brought my [@silkia_uk](#) Heel Repair Cream with me as it's Keratin formula relieves dryness and helps with any upkeep of general foot care ✨ I applied it after my 4hr hiking and my feet look and feel like new again 😊

This goodie is made in England and can be purchased at: Aldi UK, ASDA, B&M, Home Bargains, Amazon & Bodycare. RRP £5.00 for 35ml and £6.00 for 80ml 🙌 [#silkia](#) [#silkiauk](#) [#pedicare](#) [#silkyskin](#)
