**Product Catalogue
2024**

VISION :

To provide utmost Road safety with the best quality, durable and affordable road safety lighting products and equipment as well as providing the most value to all our stakeholders and attaining a technological leadership in the industry over the globe.

MISSION :

AutoGold provides highest value to its customer and consumers by providing highest quality reliable lighting replacement parts at affordable price and best service.

CUSTOMER :

To Achieve "Customer relationship management" in

1. The quality product and service
2. On time delivery
3. Quick responsibility.

RESEARCH & DEVELOPMENT :

Management Innovation, High Capacity and Potential to Develop with the customers.

SALES & MARKETING :

Developing distribution channel and increasing market share continuously in R.E.M. and O.E.M. market development.

COST LEADERSHIP :

Continuous improvement of quality, efficiency and manufacturing cost reduction.

GOAL :

"Giving the most value to consumers"

F: Forever continuous improvement, P: Produce quality product,
I: International market penetration,
A: Affordability, C: Customer satisfaction, O: On time delivery

Auto Gold / Indo lite – DRS Group is one of the pioneers and leading business houses in the Indian Automotive Industries with More Than 28 Years of experience under our belt, born in 1987 from the house of G.K Auto Spares as a trading concern and later Setting-up the manufacturing facilities of lighting equipment in the year 1992.

Today Auto gold and Indo lite are the leaders in the automotive components and lighting industry DRS Auto Industries established in 1996, is a professional production-oriented company, which mainly develops and produces Auto Lamps, Automotive Interior and Exterior Decoration Plastics Parts.

DRS Auto Industries has advanced equipment for research, designing, product development, production and after production inspection and quality checks.

We have teams of experts for business development, research, design, technology, production, inspection, finance, management and customer service who ensure excellent quality, cost control and topmost customer service and customer satisfaction.

The best raw material is used which makes the light highly effective and brighter in all weather conditions, All the lights are specially designed and each light goes through Rigorous quality checks at every stage of production which makes the lights highly functional and durable.

The company's vision is to Create best in class global distribution organization for the aftermarket of Auto Gold products while adding value to all stakeholders.

Certificate of Registration

This Certificate certify that the Management System of

DRS AUTO INDUSTRIES

Plot No. 24, Phase-IV, Sector-57, HSIIDC, Kundli, Sonipat,
Haryana, 131028, India.

**has been audited by ICV and found to be
in compliance with the requirements of the standard**

ISO 9001: 2015

(Quality Management Systems)

**This certificate is valid for
the following scope:**

Automotive Headlamp and Light Signaling Device Design &
Manufacturing.

Certificate No.	:IN/00256617/5980
Certificate Issue Date	:19/12/2022
1st Surveillance Due Date	:19/11/2023
2nd Surveillance Due Date	:19/11/2024
Date of Expiry	:18/12/2025
