QUALITY PRODUCT

MADE IN FRANCE

since 1919

## A passion for records!

French lubricants specialist since 1919, Yacco has been the performance partner to all mechanics. Accumulating more than 600 records on all types of vehicles (car, motorcycle, airplane, light aircraft), YACCO has regularly distinguished itself in famous exploration missions and major sporting events of the 20th century. Since then, yacco has supported champions and amateurs in the achievement of their mechanical challenges with the same success.

Choosing Yacco, it is always the guarantee of excellence!
