SAFEPRO Brand is Renowned for the quality of its product reliability of services. Safepro is also well established in the field of personal protection equipments, manufacture & supply.

OUR VALUES

- Safety for Anything and Everything
- Flexibility
- Consistency
- Reliability
- Integrity and Ethics
- Professionalism
- Value for Money

These core values reflect what is truly important to us as an organisation. They do not change from time to time, situation to situation, or person to person, but rather they underpin our Group culture. What we do can affect peoples lives. It is important therefore that our customers can rely on us that we will do things right - we mean what we say and we do what we say. We aspire to the highest quality standards in the fire and safety industry internationally. Consequently we maintain the highest quality accreditation, constantly train our staff at all levels.

We Have Earned Reputation For Excellence In The Fire Protection Industry. Our Policy Of Continual Investment In State-Of-Art Technology Innovative Products Development Allows Us To Offer Unique Brand High Quality Products At Great Value.

We have Acquired All the Necessary Infrastructure, Licenses and Established Two Full Fledged Manufacturing Plants Located at Narayan Nagar, Ghatkopar W, Mumbai, Maharashtra and Bhiwandi, Thane, Maharashtra. The Production Capacity of Both The Plants Are More Than 1000 Units per Day. When It Comes To Product Development, We Seek To Be At The Forefront Of Best Practice, Always Anticipating Changes Within The Fire Protection Industry. To Ensure Our Clients and Customers Get the Highest Quality Fire Protection Equipments, All Our Products Undergo Rigorous In-House Testing At All Stages of Production.
