

IMPROVING SAFETY & EFFICIENCY IN MANHOLE RELATED OPERATIONS

MANHOLE COVER LIFTERS

HYDRAULIC / MAGNETIC / MECHANICAL

Are heavy manhole covers causing injuries?

Are stuck covers causing delays?

**Are you looking to improve safety & efficiency
in manhole related operations?**

Be it cast iron, block-paved, Gatic or split double triangle, our range of manhole cover lifters can lift them quickly and safely, protecting operatives from musculoskeletal injuries.
