JUNCTION
BOX

Who we are?

It is a company that produces general security systems auxiliary assembly elements, it designs, develops and manufactures camera junction boxes, extension apparatuses by seeing the field experience and field needs from the past.

In addition, TRK Plastik Elektronik can manufacture special design plastic boxes in its own molding room. It has the capacity to mold and produce all plastic products and semi-finished products used in high and weak currents, from white goods to game machines, mobile tracking boxes.

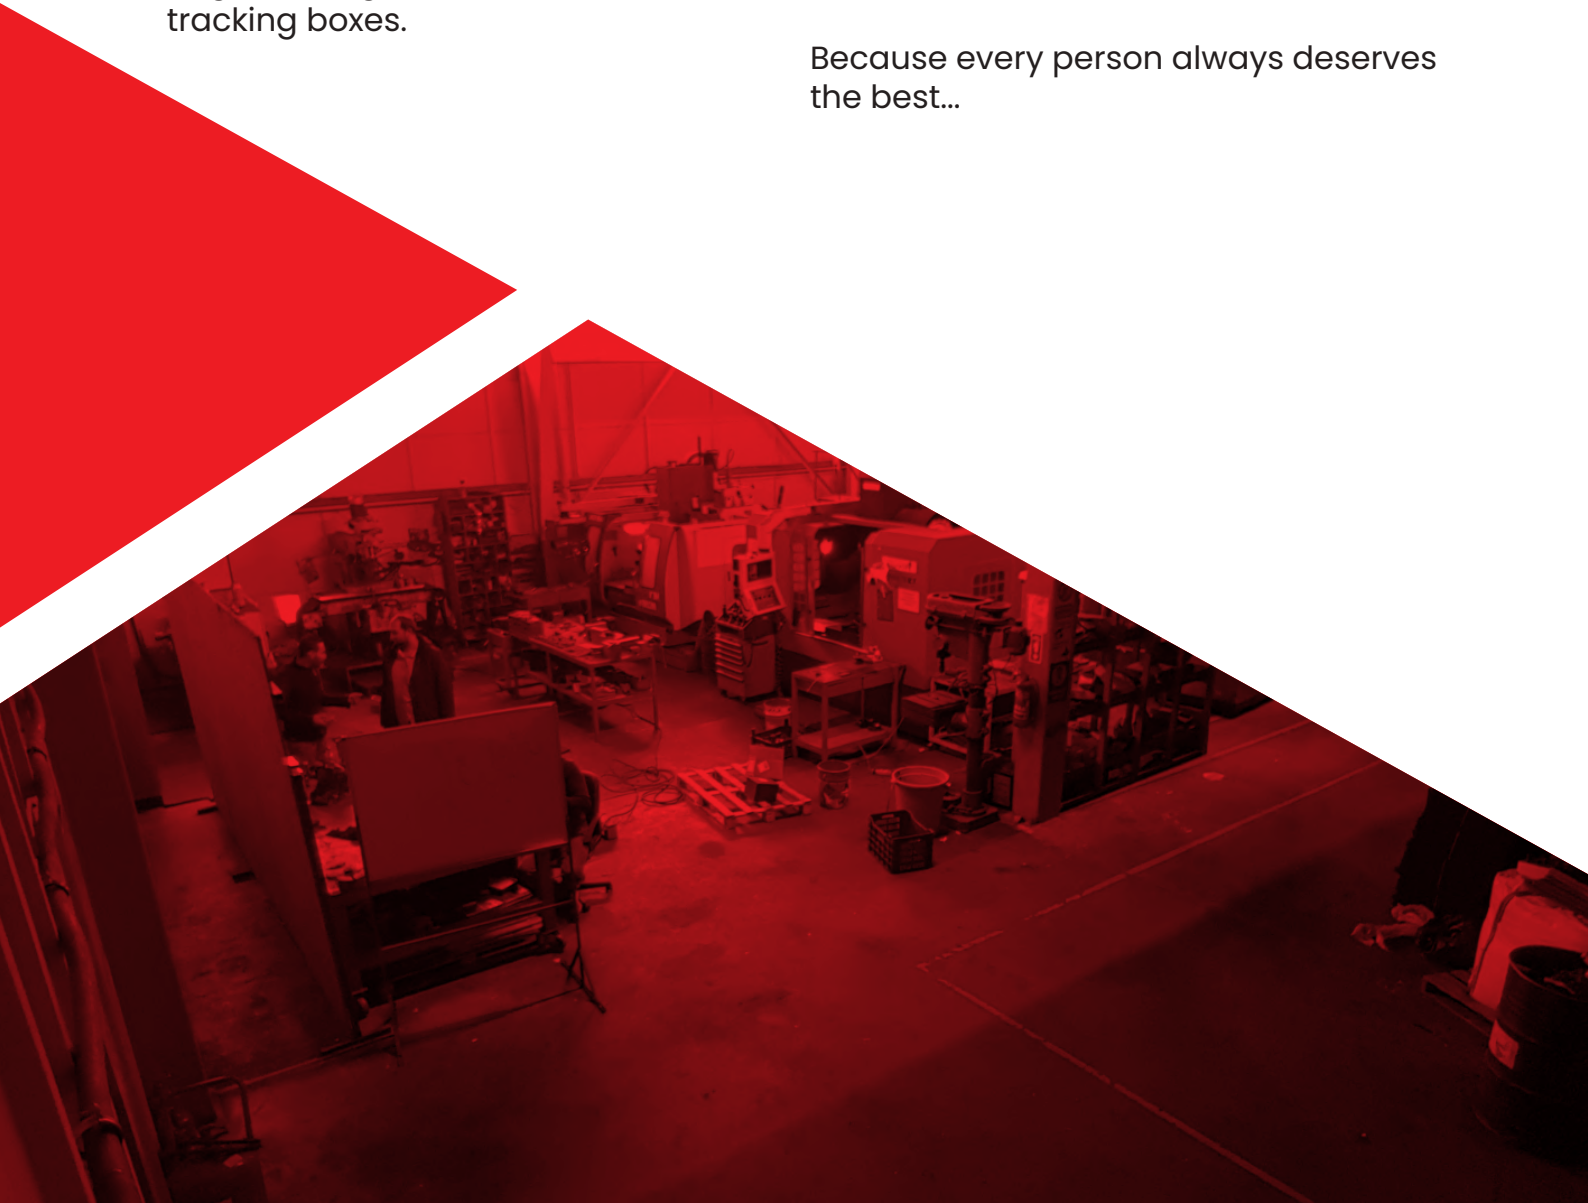

TRK Plastik Elektronik shares the pride of presenting its products to the Turkish and World markets with you, our valued customers.

All of TRK Plastik Elektronik products are manufactured in-house and we serve you with our experienced staff.

Our company, whose head office is in Denizli, carries out all its production activities in Manisa OSB.

Our goal is to always produce the best for our valued customers.

Because every person always deserves the best...

Since 2017,
we have been producing
with the excitement of
the first day.

TRK-100

Square Professional Camera Junction Box

Dimensions
