

China Leading image Product Manufacturer

## CammPro at 2024 Turkey ISAF Security Exhibition

From October 9th to 12th, 2024, CammPro participated in the ISAF Security Exhibition held in Turkey, showcasing the company's latest line of body worn cameras. During the event, the CammPro team engaged in meaningful discussions with numerous industry professionals, gathering valuable market insights. CammPro remains committed to meeting customer needs and looks forward to building connections with more industry partners at future events.
