AKA

**REBORN
TO BE
SAFE**

About

To take experience from history, it means **reborn**. Exactly it is what you need on your side for safety. Catch trends and comfort while working. **Italian design** meets quality of **Turkish manufacturing**.

Anka Pro Boots is **new generation** of safety wellingtons. Build your Anka from various options, just decide what you want. There is multiple options from length of boots to outsole type. Moreover, Anka and **Vibram®** is with you for heavy conditions.

Anka Pro Boots is a trademark of **Mekap** which is innovative and leading safety shoe brand in Turkey.

PRO
900
SERIES

Rule the Ground

Pro 900 series with Italian design; it provides a solid stance by preventing slipping with its polyurethane base. It offers comfort to your steps with its mold that hugs the foot. In addition, the standard PU base can be customized as TPU.

Water Resistant

The polyurethane upper provides excellent water resistance, keeping your feet dry and protected from external elements.

ProFlex Fitting

Its innovative design creates a perfect fit for your foot shape, providing secure and comfortable support. Please wear with care in challenging conditions.

Strong Grip

The high-performance outsole offers excellent traction with its non-slip properties, enhancing stability and providing secure grip with every step.

Material Options

Upper	Polyurethane
Toe-Cap	None, Fiber, Steel
Midssole	None, None-Metallic, Steel
Outsole	PU, PU-TPU
