

KSHITIJ POLYLINE LIMITED

COMPANY PROFILE

MARKET POSITION

Founded and Established in 2008, Kshitij Polyline Ltd. is one of the leading manufacturers, suppliers and exporter of PP Sheets, Lamination Products, PP Files & Folders in India. We are a listed company in the NSE since 2018.

Customer Base

Kshitij has cultivated a loyal and extensive customer base, comprising businesses, retailers, and end consumers who value the company's commitment to excellence and reliability.

Competitive Edge

The company's ability to offer a comprehensive range of stationery and office products, coupled with its emphasis on product innovation and customer service, sets it apart in a competitive market landscape.

Global Reach

Kshitij's products are distributed and well-received in international markets, reflecting the company's global appeal and its ability to adapt to diverse consumer preferences.

Establishment

Kshitij Polyline, a professional manufacturer of PP sheets, PP files & folders, Lanyards and lamination products was founded in 1998. The company's early years were marked by a focus to manufacture, distribute, supply, import and export a wide array of **Smart I.D. Card Products, Binding & Lamination equipment, related materials & accessories and Stationery Products**

Growth Trajectory

From its humble beginnings, Kshitij has expanded its product range and market reach, becoming a listed company in NSE and evolving into a trusted name in the stationery industry. The company's dedication to innovation and excellence has been a driving force behind its success.

Core Values

Kshitij's ethos revolves around a Make-in-India customer-centric approach, quality assurance, and a passion for creating products that enhance efficiency and organization. We have worked with clients all over the world and it makes us proud to service their needs.

To become a leading stationery brand and the largest manufacturer in our segments.

MANUFACTURING CAPABILITY

We have a very diverse set of machines helping us create end to end products in this line of business. We continue to invest in the latest and greatest machines available in the industry, India or abroad.

1

Product Range

Manufacturing prowess spans a diverse array of PP Sheets, PP Files & Folders, Lamination products, Wiro & Binder products etc. catering to the varied needs of different businesses, educational institutions, and individual consumers.

2

Quality Assurance

The company's adherence to stringent quality control measures ensures that every product leaving its facilities meets the highest standards of durability, functionality, and aesthetic appeal.

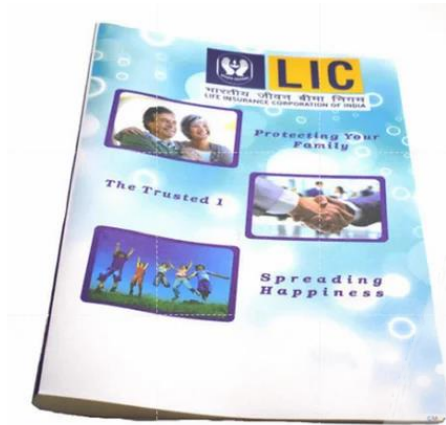

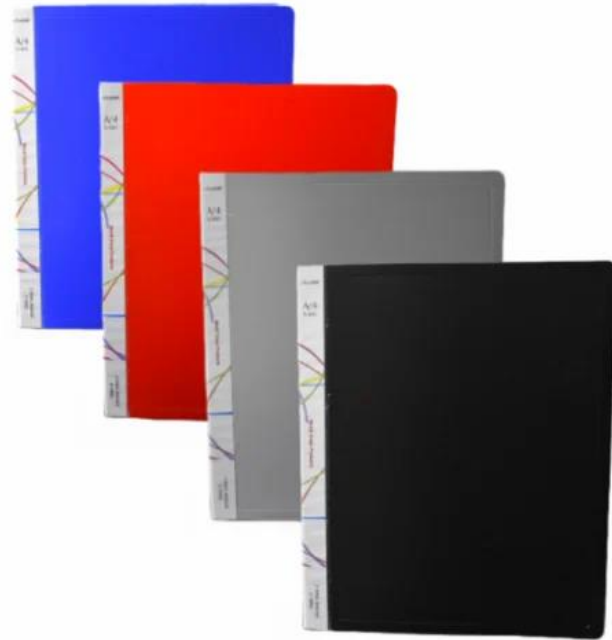

3

Sustainability Commitments

Our manufacturing processes prioritize environmental sustainability, with a focus on reducing waste, conserving resources, and promoting eco-friendly materials and practices. We are dedicated to furthering impact through sustainable practices, philanthropy, and initiatives that benefit both society and the environment.
