Ostern PVT. LTD.

Company profile –

In 2023, Ostern Pvt Ltd is celebrating 25 years of operations in the pen and stationery business. We launched our flagship brand Goldex in 2008 and in 15 years it has become one of the leading pen brands in India. Ostern has always been recognised for its diverse product range, innovative approach, competitive pricing and high-performance standards. We have always strived to achieve a healthy balance between our local presence in India and our global presence as an exporter of quality products. This has helped us achieve the status of one of the most loved brands in India under our Goldex range of pens and products, as well as one of the most trustworthy exporters of quality pens in the export market worldwide. Customer relationship and consumer satisfaction are the driving factors behind every move we make. Our constant endeavour for excellence, built on strong core values, is the key to our development, progress and success, as we move towards a bigger and better future for ourselves, our employees, our channel partners and customers.
