# ABOUT US

Distinctive frontier company for Safety Equipment LLC was established in the Kingdom of Saudi Arabia in 2022. as a fire fighting services Branch Company from WAIS GROUP Co.

DFS is an innovative and dynamic rapidly growing company specializing in Fire fighting Pumps systems. The company's primary strength is building positive relations between its customers/suppliers and staff members.

The company is operating with credibility, punctuality, and professionalism to meet high standards of service and performance on a real win-win basis.

In addition, DFS is an Exclusive Agent for a Fire pumps Global Brands and a dealer of a vast range of equipment.

## GENERAL MANAGER MESSAGE

“Every human must be guided, shaped, and supported by basic underlying values. These values should be the foundation for every decision and action we take.

At DFS family, we believe that everyone should have the freedom and ability to make independent decisions about how to treat customers, their fellow workers, vendors, and our community. The company's core business focuses on design, supply, installation, testing, commissioning, and sales services. Our highly trained and experienced engineers and technicians for fire fighting and fire alarm products range from basic fire extinguishers to highly sophisticated fire systems.

DFS can provide total fire protection solutions to the most prestigious developments around the world including commercial, and residential buildings, commercial complexes, telecommunication centers, industrial installations, oil refineries, petrochemical plants, airport installations, etc.”
