A SAUDI MADE BRAND

Who is

CHERRY BLOSSOM Natural Skincare Co.

Cherry Blossom Natural Skincare Co. is a renowned Saudi Arabian enterprise specializing in the production of natural skincare products. Our formulations are crafted by seasoned specialists in natural beauty. Our Research and Development (R&D) team collaborates closely with leading European raw material suppliers to ensure the highest safety and quality standards for our customers.

Our products are formulated without hazardous or toxic chemicals and adhere to ethical standards by not being tested on animals.

We continuously monitor global skincare research to provide our customers with the latest and most effective solutions for their skin's health and beauty.

Distinctive and tailored to our customers' specific needs, our products stand out in the skincare market.

We meticulously oversee each phase of the production process, from selecting premium raw materials to ensuring that our products reach customers safely. We value our customers' feedback and act on it to improve our offerings continuously.

We conduct rigorous microbial and stability testing to meet all regulatory standards and ensure product safety and efficacy.

Vision, Mission & Brand Values

Our Vision | To lead in the skincare industry and empower individuals to feel confident about their appearance.

Our Mission | To offer customers an extensive selection of natural skincare products and provide comprehensive guidance and support to address skin concerns. To educate people about the detrimental effects of using "chemical" skincare products.

Our Values 

1| Delivering **Saudi-made**, high-quality, and extremely effective professional natural skincare products, using premium natural ingredients.

2| Offering clients personalized skincare routines based on their unique skin types.

3| Providing complimentary consultancy services through our skincare specialists.

4| Continuously enhancing our products and testing them in accredited laboratories.

Products Range | Face Hydrosol Toners

Hydrosols

known as floral waters, flower waters, essential water, herbal water or distillates, have many uses for beauty.

Geranium Hydrosol Toner

Our 100% natural Geranium toner is produced by steam-distilling botanical material to obtain pure water that has a deep sweet floral aroma.

It is a graceful botanical water that helps harmonize your skin and promote an uplifting atmosphere to benefit the mood.

Lemongrass Hydrosol Toner

Our 100% natural Lemongrass Hydrosol Toner is produced by steam-distilling botanical material to obtain pure water with an earthy, herbaceous and lemony aroma. Use it to wake and tone your skin at the start of everyday; as it also offers you an energizing, and invigorating citrus scent. It is an astringent that is advised for oily and acne-prone skin problems and can be used to add luster and bounce to dull skin.

Lavender Hydrosol Toner

Our 100% natural Lavender toner is produced by steam-distilling botanical material to obtain pure water with an herbaceous & sweet velvety floral aroma. Use it to calm, balance & tone your skin. It improves the structure, texture and appearance of your skin. Furthermore, it has a distinctive natural lavender scent that soothes, refreshes & helps with stress & fatigue.

Rose Hydrosol Toner

Our 100% natural Rose toner is produced by steam-distilling botanical material to obtain pure water that has a deep sweet floral aroma. Rose natural scent has an emotional affinity for the heart and emotional domains of the mind, body, and soul. Rose water is a popular toner for mature and dry skin types because of its skin-healing properties.

It is an excellent humectant, which means it helps to increase and maintain moisture in the skin. Furthermore, it works in stimulating blood circulation to give a lovely blush-looking cheeks.

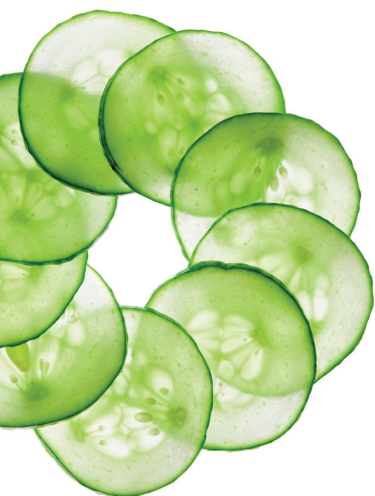

Rosemary Hydrosol Toner

Our 100% natural Rosemary toner is produced by steam-distilling botanical material to obtain pure water that has a wonderfully sweet yet intensively spicy rosemary scent. Its distinctive scent is known to enhance memory and promote clear thinking. Use it to unclog pores, calm irritation, brighten complexion and cleanse your entire face. Furthermore, this hydrosol is great for preventing the formation of pimples.

Products Range | Face Serums

Pure Hyaluronic Acid Serum

Hyaluronic Acid, found in the body's connective tissues, is the major component responsible for skin hydration. Its exceptional capacity in binding up to water molecules, 1000 times its own weight, makes it an excellent humectant. Our unique 100% Natural Pure Hyaluronic Acid Serum works to give you all the benefits you need for a plumped and extra moisturized skin.

Advanced Hyaluronic Acid Serum

This moisture-boosting, lightweight serum improves and rejuvenates your skin. Our Advanced Hyaluronic Acid Serum contains three different kinds of hyaluronic acid (High, Medium, and Low5). These help skin regain moisture and revitalize dull & dry skin for a plump, supple, and drastically smoother skin look. Additionally, being rich in low5 hyaluronic acid makes this serum provide strong antiaging effects as this component helps smooth fine lines and wrinkles; resulting in a more fabulous and youthful appearance.

A Advanced Skincare

Cherry Blossom is considering formulating products under the title of "Advanced Skincare". These products aim to target problems on spot and treat them in the most possible gentle and efficient ways. They do though through including a specifically selected range of high quality active raw materials that complement each other and target the same problem at the same time.

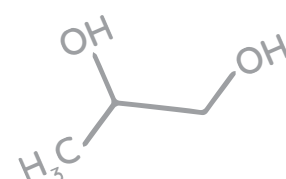

One of the most effective and widely used AHAs. Glycolic acid is naturally found in plants & fruits – like sugarcane, sugar beets, pineapples and grapes.

Having the smallest sized molecule of all AHAs, allows it to penetrate easily into the skin & exfoliate and function effectively.

Our well formulated 5% Glycolic acid Serum formula works wonder at smoothing, softening and brightening your skin. It is a gentle powerful exfoliant that helps shed dead skin cells and reveal the newer, brighter layer underneath by acting on the stratum corneum (the outermost skin layer). It also works on stimulating fibroblast that led to stimulating the production of collagen giving you a firmer, smoother, even toned and radiant skin.

Glycolic Acid Serum 5%

Niacinamide Serum B3 10%

B3 Niacinamide Serum; the secret to glowing skin. It is a powerful vitamin and antioxidant that helps restore cellular energy, repair damaged skin and fight against internal and external stressors. It works on minimizing large pores and reducing excess sebum. It also perfectly prevents premature signs of aging especially, wrinkles and discoloration. This serum effectively reduces skin pigments and brown spots & preserve moisture and strengthen skin barrier; giving you glamorous glowing skin. Thanks to its lightweight formula that suit all skin types including sensitive skin.

Leaving You Luminous,
Vibrant & **ALIVE**

Vit-C Serum 15%

Want brighter, tighter and overall, better looking skin? Our Cherry Blossom Vitamin C Serum is a potent anti-oxidant that helps reduce skin inflammation and irregular pigmentation (sunspots, age spots, melasma & freckles) while promoting healthy collagen production and preventing skin sagging. Well-known Vitamin C is a key component that interferes with pigment production by working on melanin. It brightens and smoothens skin surface to reduce dullness and give you a youthful glow.

Salicylic Acid Serum 2%

Salicylic Acid 2% light weight, alcohol free solution (Beta Hydroxy Acid Solution) – BHA. It is an exfoliator that works beneath the skin surface to help unclog pores and remove dead skin cells. It targets blackheads, whiteheads, acne & reduces excess sebum.

Retinol A+ Serum

Retinol that is converted to retinoic acid within the skin interrupts the process of break down and stimulates its production. It also accelerates renewal and of the skin cells. Thus, it makes the skin appear denser and firmer. Vitamin A is an for skin anti-aging, soothing and rejuvenating.

This serum is formulated to give you an incredible look of youth and perfect ideal skin with no impurities. Vitamin A is well known an acne fighter as it boosts skin cell turn-over and targets acne inflammatory lesions. This magical serum works on scars fading to give a perfect smooth skin.

Kojic Acid Serum 2%

You've definitely heard of (or used) glycolic and salicylic acids in your skincare regimen, but there's another acid that deserves your attention, especially if you're looking for a brighter, more even complexion. The natural compound in concern is kojic acid, obtained from mushrooms and works wonders on hyperpigmentation and discoloration (dark spots) by inhibiting pigment production. It performs well both on its own and when paired with other lightening products. Cherry Blossom Kojic Acid Serum not only help improve over all skin tone as well but also it acts as a powerful antioxidant.

Products Range | Face Moisturizer

The softest and most sensitive part of our body is our face. As a result, it is essential to take the best possible care of it. This requires spending a lot of time and effort for developing a faultless skincare regimen that is tailored to our skin type and demands. Facial moisturizers are a must in every regular skincare routine. Besides that, the type of moisturizer you choose and the components in it will have a big impact. Moisturizing your skin not only feels good, but it also helps to maintain it clear, smooth, flawless, and wrinkle-free in the future. What if it also gives you a natural makeup look?!

shine like a

S T A R

Combination Skin Type: is difficult to manage since different parts of your face have different needs and may react to products differently. If your T-zone becomes oilier and breakouts after moisturizing, use a non-comedogenic, lightweight, easily absorbed and more balanced mix moisturizer.

Oily & Acne-Prone Skin Type: Because Excess oil and hydration is not the same thing! Oily skin, contrary to common perceptions, need moisturizing as well. If you have oily or acne-prone skin, you should moisturize more regularly than dry skin type. This process can aid with imperfections, reduce skin irritation, and encourage quicker cell turnover, all of which are incredibly useful for your skin type. Your moisturizer must be non-comedogenic, lightweight and easily absorbed.

Dry Skin Type: To prevent moisture loss, dry skin requires a robust moisturizer with a thick consistency and a high concentration of active ingredients that can protect the skin's barrier. An overnight hydrating cream for very dry skin can be a lifesaver.

Sensitive Skin Moisturizer Daywear Cream

Designing an efficient skincare routine is tricky enough, but for people with sensitive skin, it becomes even more difficult. As it necessitates taking extra caution while selecting the products to use in order to avoid irritation, redness, and other skin problems. Our sensitive skin moisturizer formulation is well formulated for that. It is rich in Aloe Vera; a favorite soothing ingredient for sensitive skin.

Brightening Moisturizer Nightwear Cream

Cherry Blossoms' Brightening Cream is beneficial to attain blemish-free skin, remove dark spots & pigmentation and give you an even looking skin. It does more than moisturizing. It acts on imperfections due to its richness in niacinamide and a blend of specifically selected natural oils that work perfectly on inhibiting the enzyme that helps in excess melanin production; providing you with a radiant glowing skin and more illuminated look.

The impacts of aging include texture changes, black patches, lines and wrinkles, skin sagging and moisture loss. Cherry Blossom's Anti-Aging Cream formulated with anti-wrinkles hyaluronic acid and a blend of plant oils works perfectly on stimulating collagen production and getting rid of all aging signs.

Listen to the eyes
Give them a lift

Cherry Blossom

Fine Lines Eye Serum

The highly delicate & fragile skin surrounding our eyes is easily liable to aging. Feel youthful with this light weight illuminating serum that is formulated with the exceptionally moisturising strength of hyaluronic acid and special oil-in-serum formula. It works on rejuvenating, renewing and recovering skin layers. It gently lifts the skin by powerfully soothing existing finelines and wrinkles and preventing them from appearing. Our finelines eye serum is specially designed to suit your desire leaving you with a hydrated, softer eye skin countour.

Dark Circles Eye Serum

Say good bye to fatigued looking eyes and get freed of those annoying dark circles. Have gorgeous eyes with our undereye dark circle eye serum.

This serum works on hydrating skin and reducing discoloration around the eye area. It precisely targets the area surrounding the eye by a combination of effective (strong) natural active ingredients that keep your skin looking radiant. Giving you brighter eyes and youthful fresh glow.

Puffy Eye Serum

Ever woke up in the morning and realized that your eyes look kind of puffy? Eye puffiness is caused by fluid retention around the eyes, lack of sleep, allergies, and excessive salt intake. Our Puffy Eye Serum helps speed up the depuffing process; as it is rich with caffeine (which constricts and tightens skin) and certain antioxidants like (Tea tree oil, Frankincense oil & Vitamin E oil), which help reduce swelling after massaging the serum on your skin. This serum helps rejuvenate and strengthen the sensitive skin around the eyes, which helps to reduce puffiness, improve firmness, and lessens the appearance of lines and dark circles.

CLEAN SKIN

Cherry Blossom

Ultimate Glow & Clean Glycolic Gel Cleanser

Ultimate Glow & Clean Glycolic Cleanser is a booster version of the Glow & Clean Glycolic Cleanser. This Alfa Hydroxy Acid cleanser that is derived from sugar cane offers different benefits by working on different skin layers. This potent acid cleanser helps to gently exfoliate superficial skin layer while stimulating deep collagen production. It gives you triple effects by cleansing, exfoliating & hydrating. Its soft foaming is effectively designed to gently exfoliate dead cells, remove dirt, debris, long wear makeup & excess oil; leaving you with a clear complexion and irresistible glowy skin. In a short period of time, it will help to fade spots and even out your skin tone while helping to smooth fine lines.

Glow & Clean Glycolic Cleanser gives you triple effect by cleansing, exfoliating & hydrating. This soft foaming gel cleanser is designed effectively to gently exfoliate dead cells, remove dirt, debris, long wear makeup & excess oil; leaving you with a clear complexion and irresistible skin glow. This product is soft and gentle to the skin. After several weeks of usage, you will notice a beautiful skin radiance and that dark blemishes are less prominent.

Glow & Clean Glycolic Gel Cleanser

Acne Wipe-Out Gel Cleanser

Acne Wipeout Non-Drying Gentle Gel Cleanser wipes makeup and impurities while entering deep within pores. This 2% Salicylic Acid cleanser has rosemary & lemongrass hydrosols in it. Its active ingredients work in a synergistic way to fight acne formation. In addition to its cleansing effect, it also works on managing oil, reducing blackheads and breakouts, and promoting a more even complexion.

Why is
Cleansing
important
especially for
acne prone skin?

Throughout the day, facial skin gets continuously covered with bacteria, pollutants, viruses, dirt, and old (dead) skin cells. Cleansing your face regularly, facilitates the removal of this undesired surface build up and prepares your skin for the use of other skincare products. In other words, cleansing your face properly through using the right cleanser; enhances the penetration of the other skincare products into your skin; improving by that their efficiency. Thus, using cleanser is a must in the beginning of every daily skincare routine.

X - tra Moist Creamy Cleanser

Our X-tra Moist Creamy Cleanser is formulated to provide continuous hydration and protect skin from dryness during cleansing; leaving your skin extra moisturized and plumped. This creamy formula pleasantly removes dirt, makeup and impurities. Moreover, being rich in hyaluronic acid, lavender water & chamomile extract; make it have extraordinary ability in calming and soothing facial skin along with protecting its moisture barrier.

Shine & Bright Gel Cleanser

Shine & Bright Cleanser is formulated to improve your skin hydration by preventing evaporation of moisture while cleansing. At the same time, it works on brightening skin tone and reviving skin radiance instantly. You will feel your skin extra soft, supple and more relaxed. After several weeks of usage, your skin will appear brighter and smoother.

Age Rejuvenating Cleanser

Age Rejuvenating Cleanser is a perfect skin leanses your face gently as well as renewing stimulating skin collagen production. It does well picked ingredients, such as hyaluronic vitamin E & rose water. As a result, your skin youthful appearance after a short period of

stress reliever. It skin cells and though through its acid, vitamin A, will regain its usage.
