Give Versailles as a gift!

A large, ornate chandelier with many crystal prisms and lit candles hangs from the ceiling of a grand room with high ceilings and classical architectural details. The chandelier is the central focus, with its light reflecting off the crystals and illuminating the surrounding space. The background shows the upper part of the room, including the ceiling and the top of the walls, which are decorated with intricate moldings and paintings.

ABOUT US

Immerse yourself in the pure tradition of the Court of Versailles and the splendor of the Palace with the unique scents of La Savonnerie Royale.

Live the experience of the French Art of Living with unique home fragrances created in partnership with the historic supplier of the royal families since 1884.

Our scented candles contain an exceptional vegetable wax, composed of soy and coconut oils, as well as mango butter.

Each fragrance has been carefully thought out to embody famous characters and places of France.

Explore the renowned craftsmanship of La Savonnerie Royale with its unique line of scented candles, reed diffusers and soaps.

THE COLLECTION

Les Chevaux d'Apollon

RÉF : SAV100CHV01

The perfume Les Chevaux d'Apollon, with its notes of roses, leather and musk, was created to pay tribute to one of the emblematic fountains of the Palace of Versailles, located in the heart of the great royal perspective designed by Louis XIV.

Promenades Galantes

RÉF : SAV100PRO01

What would the Palace of Versailles be without its gardens? The Promenades Galantes fragrance pays tribute to the art and beauty of the French gardens, an inseparable symbol of the Palace of Versailles.

NEW

Jardin du Trianon

RÉF : SAV100TRI01

Tuberose was one of the favorite flowers at the court of Versailles in the 17th century. Jardin du Trianon is a tribute to these flower gardens.
