scalp & hair care

TONIDERMA ANTI DANDRUFF SHAMPOO

Toniderma Anti-Dandruff Shampoo is a special formula that helps to fight and prevent dry dandruff while rebalancing the sebum function of the scalp. Its active ingredients with organic vegetal extract rich in peptides, essential oils, and vitamins help maintain hair density and prevent thinning, kill bacteria and germs that trigger inflammation, ease inflammation affecting the scalp and hair follicles, and nourish the hair follicles while combating drying issues. Suitable for all dandruff types, this shampoo is an ideal addition to your hair care routine for a healthier scalp and hair.

TONIDERMA ANTI HAIR LOSS SHAMPOO

Toniderma Anti-Hair Loss Shampoo is a specially formulated shampoo that promotes hair growth and helps manage the problem of hair thinning. Its unique blend of natural ingredients helps unclog hair follicles, improve blood circulation, and deliver vital nutrients directly to the hair follicles, making the hair stronger and thicker.

TONIDERMA REINFORCING SERUM

Toniderma reinforcing serum is a highly effective hair serum that helps create an optimal environment on the scalp for healthy hair growth. The active ingredients in the formula work as collagen-boosting antioxidants, which improve collagen synthesis, keeping hair follicles healthy and strong. The lemon oil in the formula is an excellent hair tonic that can make hair shinier and much stronger. Rosemary, another essential ingredient in the formula, can prevent premature graying and dandruff, and help dry or itchy scalp.

TONIDERMA STRONG REVITALIZING AMPOULES

Toniderma Strong Revitalizing Ampoules are super concentrated vials that nourish damaged hair follicles and cells in the scalp, protect against toxins, and stimulate blood circulation for enhanced hair growth. The anti-inflammatory properties of Ginkgo Biloba help combat signs of age-related hair loss, weak hair follicles, and an inflamed scalp.
