NINE LESS°

# **"Add 9, Deduct 9, Achieve Balance Devine"**

---

The number 9 was chosen as a central theme for our brand because it represents a balance between positive and negative forces.

In many cultures and traditions, the number 9 is considered to be a symbol of harmony, completion, and fulfillment.

NINE LESS°

## **Achieve Balance with Number 9.**

---

**Brand philosophy: The brand philosophy of Nineless is to promote holistic and balanced beauty that nourishes both the body and the mind.**

**We aim to create inclusive and effective products while operating ethically and sustainably.**

**At Nineless, we believe beauty is a journey towards self-love and acceptance.**

### Heartleaf & BHA Cleanser

120ml

This skincare essential is designed to elevate your daily routine with a touch of magic from Salicylic Acid (BHA) and a blend of natural ingredients.

### Key Ingredients

Heart leaf Extract (440,000ppm): Soothing and anti-inflammatory properties, helping to calm and nourish your skin.

Salicylic Acid (5,000ppm): A gentle exfoliant that unclogs pores and helps to prevent breakouts

Centella Asiatica Leaf Extract: Promotes collagen production and aids in skin recovery.

# A-control

## Azelaic Acid Toner

150ml

Unveil your skin's natural radiance with our Azelaic Acid Toner, a multi-tasking marvel that targets a myriad of skin concerns. Gently exfoliates dead skin cells, revealing a brighter, smoother complexion.

### Key Ingredients

**Azelaic Acid:** This ingredient has been shown to have anti-inflammatory and antimicrobial properties, making it beneficial for those with acne-prone skin. It also has brightening properties, making it helpful for improving the appearance of hyperpigmentation and uneven skin tone.

**Glycolic Acid (31,500ppm):** An alpha-hydroxy acid (AHA) that helps exfoliate the skin, revealing brighter, smoother skin.

**Salicylic Acid (5,000ppm):** A beta-hydroxy acid (BHA) known for its ability to penetrate into the pores to exfoliate the skin and reduce acne.

**Niacinamide (30,000ppm):** A form of vitamin B3 that can reduce inflammation, lighten hyperpigmentation, and strengthen the skin barrier.

## A-control 10%

### Azelaic Acid Serum

30ml

Your new skin care product contains a combination of three powerful ingredients: azelaic acid, niacinamide, and snail mucin.

### Key Ingredients

**Azelaic Acid:** This ingredient has been shown to have anti-inflammatory and antimicrobial properties, making it beneficial for those with acne-prone skin. It also has brightening properties, making it helpful for improving the appearance of hyperpigmentation and uneven skin tone.

**Niacinamide:** This ingredient can help improve the skin's barrier function, reducing water loss and improving hydration. It also has anti-inflammatory properties and can help reduce the appearance of fine lines and wrinkles.

**Snail Mucin:** This ingredient is known for its hydrating properties, as well as its ability to help repair and regenerate the skin. It can also help improve the appearance of fine lines and wrinkles.

## A-control

### Azelaic Acid Cream

50ml

Expertly crafted to deliver powerful results with a touch of hydration. Infused with nourishing ingredients like glycerin, panthenol, and snail secretion filtrate

### Key Benefits

- Acne-Fighting Formula: Contains azelaic acid to target acne and blemishes, promoting clearer skin.
- Moisturizing: Infused with hydrating ingredients like glycerin and panthenol to replenish moisture and prevent dryness.
- Lightweight Texture: Non-greasy and fast-absorbing formula that leaves skin feeling soft and smooth.
- Gentle Exfoliation: Contains lactic acid to gently exfoliate the skin, promoting a smoother complexion.
- Soothing Properties: Includes botanical extracts like centella asiatica and snail secretion filtrate to soothe inflammation and irritation.
- Suitable for Acne-Prone Skin: Formulated to be gentle yet effective for those with acne-prone or sensitive skin types.

## **B-boost 10%** **Niacinamide Serum**

---

**30ml**

A 10% Niacinamide serum with Tranexamic Acid, Hippophae Rhamnoides Extract, Glutathione, and a blend of peptides to brighten, hydrate and improve skin texture.

---

### **Key Ingredients**

Niacinamide (10%) helps brighten and even out skin tone, reduce fine lines and wrinkles, and strengthen the skin barrier.

Tranexamic Acid helps reduce the appearance of dark spots and hyperpigmentation, and improve skin's overall radiance.

Ascorbyl Glucoside (a stable form of Vitamin C) helps brighten skin, reduce dark spots, and protect against UV damage.

Glutathione is a powerful antioxidant that helps protect against free radical damage, improve skin's overall tone and texture, and reduce the appearance of hyperpigmentation.

## B-boost 1%

### Kojic Acid Toner

200ml

Advanced Kojic Acid Toner, expertly formulated to reveal a brighter, more even complexion. Enriched with potent kojic acid, this toner targets dark spots and hyperpigmentation, promoting a clear and luminous skin tone.

### Key Ingredients

1% Kojic Acid: Unveil luminous skin as kojic acid fades dark spots and inhibits melanin production, providing a visibly brighter and more even skin tone.

2% Niacinamide: This powerhouse vitamin not only diminishes pigmentation but also strengthens the skin's barrier, reduces inflammation, and improves texture for a smooth, radiant finish.

**B-boost 1%**  
**Kojic Acid Serum**

**30ml**

Unveil your most radiant, even-toned complexion with B-boost, a scientifically formulated serum designed to address and diminish the appearance of dark spots, hyperpigmentation, and uneven skin tone.

**Key Ingredients**

1% Kojic Acid: Unveil luminous skin as kojic acid fades dark spots and inhibits melanin production, providing a visibly brighter and more even skin tone.

10% Niacinamide: This powerhouse vitamin not only diminishes pigmentation but also strengthens the skin’s barrier, reduces inflammation, and improves texture for a smooth, radiant finish.

Ascorbyl Glucoside: A stable form of Vitamin C, it boosts collagen production, enhances brightening effects, and fights free radicals, keeping your skin youthful and glowing.

## B-boost Kojic Acid Glow Pad

**180ml/80ea**

Designed for targeting dark spots and uneven skin tone, this powerful toner pad combines Kojic Acid, Niacinamide, and Arbutin to brighten and refine the complexion. Infused with 6X Hyaluronic Acid, it delivers deep hydration while soothing ingredients like Panthenol and Allantoin help maintain a healthy skin barrier.

## Key Benefits

- ✓ Brightening & Dark Spot Care – Kojic Acid, Niacinamide, and Arbutin work together to fade discoloration and promote an even skin tone.
- ✓ Deep Hydration with 6X Hyaluronic Acid – Multiple forms of Hyaluronic Acid provide multi-layer moisture for plumper, more supple skin.
- ✓ Skin Soothing & Barrier Support – Panthenol, Allantoin, and Dipotassium Glycyrrhizate calm and protect the skin.
- ✓ Gentle Exfoliation – Improves skin texture, preps for better absorption of active ingredients.
- ✓ Non-Sticky, Lightweight Formula – Refreshes skin without residue, perfect for daily use

## Mela-Pro

### Rice & TXA Toner

200ml

Dual-Phase Formula: Shake well before use to blend the bi-phase layers, ensuring optimal effectiveness of active ingredients in every application.

Enriched with Oryza Sativa (Rice) Seed Water and Tranexamic Acid, our toner targets dark spots and hyperpigmentation to reveal a brighter, more even complexion.

### Key Benefits

**Brightening and Tone-Evening:** Enriched with Tranexamic Acid and Rice Seed Water, the toner targets and reduces the appearance of dark spots and hyperpigmentation, promoting a more even skin tone.

**Hydration:** Ingredients like Sodium Hyaluronate and Squalane deeply hydrate the skin, maintaining its moisture balance and preventing dryness.

**Soothing and Calming:** Botanical extracts such as Portulaca Oleracea and Willow Bark provide anti-inflammatory and soothing properties, which help to calm irritated skin and reduce redness.

## Mela-Pro 5% Tranexamic Acid Serum

30ml

Embark on a transformative skincare journey with Mela-Pro Serum, specially formulated for the unique needs of melanin-rich skin. Infused with a potent blend of 5% Tranexamic Acid, 2% Niacinamide, 0.05% Glutathione, and 0.04% Adenosine, this serum is your ally in achieving a flawless, luminous complexion.

### Key Benefits

**Targeted Hyperpigmentation Treatment:** With a high concentration of Tranexamic Acid, Mela-X effectively diminishes dark spots and evens out skin tone, revealing a brighter, more uniform complexion.

**Blemish Control & Redness Reduction:** Enriched with Niacinamide, our formula helps reduce skin blemishes and redness, promoting a clearer, more balanced appearance.

**Brightening and Antioxidant Support:** Glutathione serves as a powerful antioxidant, enhancing your skin's natural glow while protecting it from environmental stressors.

# Mela-Pro Tranexamic Acid Sun Screen Face and Body

**100ml**

A cutting-edge sunscreen formulation designed to provide broad-spectrum UV protection while addressing hyperpigmentation concerns. This advanced formula combines powerful UV filters with skin-brightening and pigmentation-inhibiting ingredients, including tranexamic acid and niacinamide, to promote a clearer, more even complexion.

## Key Ingredients

Tranexamic Acid: Known for its ability to inhibit melanin synthesis, tranexamic acid helps reduce the appearance of dark spots and hyperpigmentation, resulting in a brighter, more luminous complexion.

Niacinamide: Also known as vitamin B3, niacinamide helps improve skin texture and tone, while reducing the appearance of pores and fine lines for a smoother, more refined complexion.

UV Filters: Ethylhexyl Methoxycinnamate, Ethylhexyl Salicylate, Bis-Ethylhexyloxyphenol Methoxyphenyl Triazine, and Titanium Dioxide provide broad-spectrum protection against harmful UVA and UVB rays, helping to prevent sunburn and premature aging.

Hydra-Max Deep Infusion Serum

Serum

50ml

This serum is a deeply hydrating formula containing 7 types of hyaluronic acid and 5 types of ceramides, designed to provide multi-layered moisture while strengthening the skin barrier, with added ingredients like panthenol and trehalose for soothing and long-lasting hydration.

Key Benefits

- Deep Hydration: Uses 5X Hyaluronic Acid to provide multi-layered hydration, targeting both surface and deep layers of the skin.
- Barrier Support: 5X Ceramides help reinforce the skin barrier, locking in moisture and protecting against external damage.
- Long-Lasting Moisture: Clinically proven to offer up to 48 hours of sustained hydration.
- Soothing and Calming: Panthenol and Trehalose soothe the skin while maintaining hydration.
- Suitable for Dehydrated Skin: Designed specifically for skin that lacks moisture, providing both immediate and long-term benefits.

Ever-Youth **Dual Effect**  
Eye Cream

20ml

Clinically proven to deliver instant visible improvement in under-eye wrinkles and eye bags, this advanced formula helps smooth, lift, and firm the delicate eye area. Infused with powerful actives, it also works gradually to brighten and reduce the appearance of dark circles, leaving your eyes looking refreshed and youthful.

Key Benefits

- Clinically Proven Results – Demonstrates instant visible improvement in under-eye wrinkles and eye bags.
- Instant Lifting & Smoothing – Tightens and firms the under-eye area for a youthful appearance.
- Targeted Eye Bag Reduction – Helps visibly reduce puffiness and sagging under the eyes.
- Gradual Dark Circle Brightening – Works over time to improve skin tone and diminish shadowy under-eyes.

# Essentials UV Shield

## Soothing Sun Cream

50g

This SUN CREAM is a daily essential and should be applied at all times when going outdoors, regardless of the weather. Contains noni, cica extract and Hyaluronic acid. It also has completed preliminary SPF & PFA test from Ellead skin & Bio research.

### Key Ingredients

**Noni:** This ingredient is rich in antioxidants, which help to protect the skin from damage caused by free radicals. It also has anti-inflammatory properties that can help to soothe and calm the skin.

**Cica extract:** It has anti-inflammatory properties and can help to improve skin texture and reduce the appearance of fine lines and wrinkles.

**Hyaluronic acid:** This ingredient is a powerful humectant that can help to hydrate the skin and improve its elasticity. It can also help to plump up the skin, reducing the appearance of fine lines and wrinkles.

**"Add 9, Deduct 9,  
Achieve Balance  
Devine"**
