

## OUR PRODUCT PORTFOLIO

At **FSM**, we offer a wide range of tailored products across core categories, all enhanced with luxurious scents crafted in collaboration with Robertet, the world leader in fragrances and natural ingredients.

### Skincare

Premium serums, moisturizers, and treatments designed to nourish, hydrate, and rejuvenate the skin.

### Haircare

Shampoos, conditioners, styling products, and aerosol hairsprays, all infused with premium scents from Robertet for a luxurious experience.

### Decorative Cosmetics

**Liquid Makeup:** Foundations, concealers, and more, delivering flawless coverage.  
**Upcoming:** Powdered Cosmetics including blush, eyeshadows, and foundations.

### Aerosol Products

FSM manufactures high-quality aerosol products, including gas-free alternatives, providing both performance and sustainability.

### Personal Hygiene

Feminine washes, hand sanitizers, body washes, toothpaste, and mouthwash—everyday essentials designed for cleanliness, freshness, and protection.

### Body Care

Body butters, scrubs, lotions, and aerosol body mists—pampering products for healthy, smooth skin.

### Perfumes

Custom-crafted perfumes and body splashes, developed in collaboration with Robertet, offering an unforgettable sensory experience.

### Sun Care

Sunscreens, tanning oils, and after-sun products that protect and enhance skin health.

### UPCOMING...

**Pharmaceuticals:** FSM is expanding into pharmaceutical-grade products, combining our expertise to create solutions that meet the highest standards in wellness and healthcare.
