# TIE & DYE

---

Global fashion search platform reports that tie-dye is one of the fastest growing fashion.

"From the more sophisticated colour combinations to the more elevated fabrics and the unexpected shapes, the new tie-dye is more elevated and fashion forward."

patterns with dyes*

*"Tie and dye is a reflection of  
freedom and hope.  
Its process always creates  
unexpected results and  
its outcome is always  
uncertain, which I guess  
is the mood of the times  
now.*

*The unknown is more present."*
