

carmel

Sophisticated bouclé of curly texture that merges functionality and elegance, creating cosy spaces full of warmth.

Easy to combine with any decorative trend, it comes in 9 essential colors from neutral to earth tones.

ARTISAN MINIMALISM

Carmel is inspired in the decorative artisan minimalism, where inspiration in raw materials and the beauty of imperfection are the key elements.

The boucle fabric transforms contemporary and sophisticated spaces, providing a rustic touch that harmonizes with noble materials such as wood, gold metal and marble.

Carmel's ductility is perfect for manufacturing furniture with rounded and minimalist shapes, providing relief and depth.

Its Eco Care fluorocarbon-free finish offers high resistance and easy maintenance under an outlook where taking care of the environment and the health becomes a key factor.

Furthermore, Oekotex Standard 100 certificate guarantees that it has been produced without using any harmful substances for health under strict specific international requirements.
