

Cañete®

WHO WE ARE

HISTORY AND EVOLUTION

1982 defines the beginning of a Project that begun having almost no resources but with plenty of hope. Founded by Antonio Cañete Sancho, Cañete is creating home textiles style and trends for more 30 years. A commitment vouched by the effort and perseverance of all of the ones working for the firm and to which we are involving a huge number of Spanish families and other several homes outside our borders. Nowadays, the Cañete firm, is a quality symbol; an award backed by the ISO 9001 Certification, which includes all the processes.

Nowadays, the Cañete firm, is a quality symbol; an award backed by the ISO 9001 Certification, which includes all the processes.

We know that innovation is synonymous with differentiation. Consequently, we have added the most sophisticated technology to our own product lines in order to offer our clients a wide selection of manufactured products: sheets, quilts, duvets, duvet covers, curtains,... and decorating fabrics. Quality articles and a customer service that makes us worthy our main gratification: THEIR LOYALTY

DESIGN DEPARTMENT

Cornerstone of our project. "From the search and presentation of ideas to their development and insertion in our collections". This is the task of our Design department, around which the entire firm revolves. In order to achieve that, our team relies on design studies of Italian, French, Spanish, Swedish and English specialists, which help us to define universal and local trends in order to be able to meet every market.

NATIONAL DEPARTMENT

For more than 30 years we have established a solid commercial network, currently made up of more than 15 representatives distributed throughout the territory and 4 direct factory sales. An extensive network of collaborators in order to meet any need of our customers. Our brand is always synonymous with quality, so we remain the favorite supplier for our customers.

EXPORT DEPARTMENT

We started our international journey 15 years ago. The flexibility in our production and the willingness to cover new markets has helped us position ourselves in the international market as a reliable and prestigious company.

FUTURE

Together we are writing the future. This future revolves around our customers and suppliers.

Collaboration, ideas, projects, work, are words that in Cañete are full of meaning. We want to continue being part of your daily life.

Cañete, the art that decorates your home.

INSTALLATIONS

INSTALLATIONS

With over 15.000 square meters facilities, Cañete has put a lot of effort, both human and economic, in order to have a flexible productive process that today makes him a reliable partner in terms of manufacturing and services.

With a textile mill department able to make 2 million meters per year, Cañete launches up to 8 collections per year between the national and export departments. Departments such as Design, Preparation, samples, quality, etc., as well as external partners make more and more clients rely on us to design, manufacture, prepare and work in any garment.

BRANDS

BRAND DEVELOPMENT

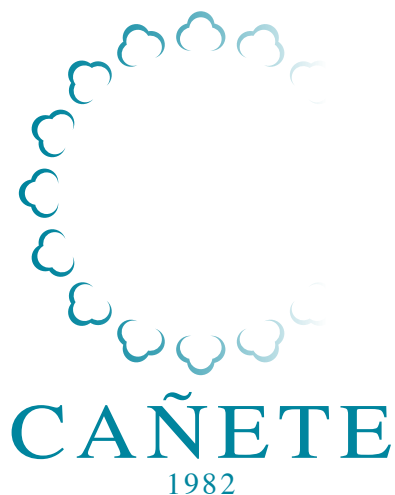

Original brand of the company that includes all products made of bed linen, from Duvets, quilts, duvet covers and much more.

BRAND DEVELOPMENT

Heritage

Percalé cotton collection
200 thread

The collection called Heritage by Cañete is a collection of 100% cotton of 200-thread mercerized and sanforized percale. These treatments give the final product an exquisite touch and softness.

The collection consists of bedsheets in different confections, duvet covers, cushions, sheets, pillows... etc. Finished with hemstitches, piping or printed and jacquard borders are one of the novelties of this collection.

All of them coordinated with the most current colors make this an essential collection in all specialized home stores. The experience of 35 years in the home textile area leaves us a legacy of many years at the service of the client.

BRAND DEVELOPMENT

Our brand of sofa covers and accessories for rest, such as mattresses, viscoelastic pillows, covers and mattress protectors, etc. Wide variety of qualities and designs.

BRAND DEVELOPMENT

This brand is dedicated exclusively to the marketing of textiles for decoration. Jacquards, prints, fabrics for table linen, plains with different textures, etc...

BRAND DEVELOPMENT

Within the OnHome collection we dedicate a special attention to the outdoor collection: STAY & OUT, OUT & URBAN, OUT & GARDEN. Thanks to the characteristics of Dralon acrylic fiber, we offer fabrics with the best results for outdoor use.
