

# PROFILE

Since the establishment of Hasham Towels in 1988, the company has become well known for its continuous efforts to develop latest designs in towels and bathrobes. For 25 years, the company has achieved a significant level of export sales and has become well known globally for supplying quality products. The company has grown considerably since its early days and has established its mark in bath accessories. An inherent desire for technical excellence leads Hasham to the achievement of ISO 9002 Certification. We successfully participate in a number of international trade fairs throughout the year including the hemitextil, Frankfurt, displaying the best towels and bathrobes of all types and sizes.

**OEKOTEX Certificate ensures that all our products are free from harmful substances and can be used confidently.**
